MAN-SIZED BREAKFAST—A Plymouth Rock hen belonging Mr. and Mrs. Lupe Garcia, Hondo, believes in laying eggs g enough so that one will do for breakfast. The pullet, which arted laying this year, has been laying double-yolk eggs (like e one on the right.) but topped that performance last week th the giant seen on the left, believed to be three-yolker. The egg measured about three inches in length, and weighed most six ounces. The egg shown in the middle was one bought the grocery and may be used as a comparison.

STATE SWEETHEART CANDIDATE—Blonde, blue-eyed Edith Kay Mumme, LaCoste High School sophomore, was se- cted by F. F. A. boys to represent Area X at the state con- ention in Houston July 13-15. She will compete against 25 other lovelies for the title of "State F. F. A. Sweetheart of Texas" and the right to represent Texas lovelies at the nation- al convention this fall in Kansas City.

The 14-year old daughter of Mr. and Mrs. Hugo Mumme, Edith Kay is sweetheart of the LaCoste F. F. A. chapter and sweetheart of the Star District. She is one of LaCoste High School's pep squad cheer leaders.

The state F. F. A convention will be held at the Shamrock Hotel.

Mrs. Lillian G. Brucks Chosen Acting Manager Of Chamber Of Commerce

Mrs. Lillian G. Brucks, who has been secretary of the Hondo Cham- er of Commerce for the past 2½ ears, has been appointed acting ecretary-manager, N. P. Pope, resident, announced this week.

Mrs. Brucks will succeed Paul ybee who has annouced his resig- ation effective June 15. Bybee ill be employed by Texas Avia- on Industries in the maintenance epartment and will continue as manager of the City of Hondo air- field properties commission.

"In view of the extremely busy condition in the Chamber office at this time, it is planned to employ a clerk at least in a temporary capa- city to help Mrs. Brucks," Pope said.

The Chamber is still receiving a number of inquiries daily for rent houses and apartments to take care of personnel at the Hondo Air Base, Mrs. Brucks stated. She asks that persons having rental property call the Chamber office or phone 4 to list them.

COMING EVENTS

Civic and non-profit organizations hould submit items for this colum by uesday of each week.

Ten more Medina County res- idents and one from Moore have registered with local board 48 in Pearsall upon reaching their 18th birthday.

They are Charles E. Attaway and Domingo C. Rodriguez of De- vine; Ricardo Martinez of Hondo; David N. McGraw of D'Hanis: Celestino C. Romero of Yancey; Maurice C. Hans, Larry W. Bied- iger, Domingo Aguilera, and Pe- dro M. Aguirre of Castroville; Santos A. Haro of Natalia; and Gustino D. L. Esquivel of Moore.

Three Counties Participate In Soil Judging Day

Soil Judging Day will be held at Devine on Wednesday, June 13, with Paul G. Haines, soil and water conservationist of the Tex- as A&M College extension serv- ice, in charge.

He will be assisted by repre- sentatives of the extension serv- ice, Soil Conservation Service, P. M. A., Farm and Home Ad- ministration, vocational agricul- ture teachers, and the veteran's vocational school.

Men, women and children from Medina, Atascosa and Frio Coun- ties are asked to meet at high school auditorium in Devine at 1:30 o'clock Wednesday after- noon.

Included on the program will be a field study of soil types, texture of soil, erosion, depth of soil, and practices which should be followed to build up the soil.

Mrs. Bowman Buried May 27

DEVINE—Funeral services were held Sunday, May 27, for Christina Jane Bowman, 78, who passed away at her home here on May 25, 1951.

Mrs. Bowman was born at Blan- co on Aug. 28 1872 and moved to Medina County at an early age. Her father, W. V. (Van) Herring, and his brother, Colum- bus Herring, bought a 320 acre tract of land from F. Niggli, a Castro colonist, with the brothers each taking one half. From the south half owned by Van Herring, acreage was donated for tracks and a depot and the town which was the beginning of Devine.

Mrs. Bowman was a sister to the late Dick Herring, horse buy- er and trader, and her youngest sister, Catherine Weir was the first child born in Devine.

Mrs. Bowman attended the Francisco district school in the Haass settlement until the Devine district was formed and a school established. In 1890, she eloped with W. H. (Bill) Bowman and was married in San Antonio near Christmas.

Surviving children include Mrs. Hubert Hightower, Mrs. J. D. Teal and Josh Bowman of Corpus Christi, Mrs. A. A. Blatz, Fred Bowman, and Mrs. O. C. Riley of Devine; and George Bowman of San Antonio.

She was a member of the Meth- odist Church in Devine. Rev. W. S. Ezell officiated at the last rites, and interment was at Ever- green Cemetery.

Pall bearers were George V. Busby, B. L. Penland, A. A. Stock, Hartly Howard, John Crawford, and George Briscoe. Honorary pall bearers were W. W. Thomson, Jack M. Fusselman, Arch Morris, Henry Crutchfield, Dane Webb and Arthur Rothe.

Boy Scout Committee To Meet Wednesday

The nominating committee of the Medina Valley Boy Scout Dist- rict will meet in Castroville at the office of Dr. F. J. Dallal at 7:30 p. m. on Wednesday, June 13, to nominate officers for the district.

Those wanting to help Scouting are urged to submit their names for consideration by the nominat- ing committee. The committee is composed of Dr. Dallal, chairman; J. F. Delony, Hondo; and Fr. Joe Nowak, Devine.

Macdona Shooting Club Slates Picnic

The Macdona Shooting Club will hold its annual picnic Sunday, June 17, with an all day affair be- ing planned. Prize shooting will be conducted for members only, with a barbecue at noon.

About 300 members are expected, with a total of nearly 500 persons due to be present for the barbecue.

About 250 Persons At Memorial Service

About 250 turned out for the Memorial Day services held in the Hondo cemetery sponsored by the Legion and VFW, and conducted by Rev. M. J. Lorfing.

Pronounced a success by those who attended, many have express- ed the hope that the services will be repeated in years to come.

Cannery Averages 40-50 Tons Daily

NATALIA—Rain falling inter- mittently throughout the early morning hours Sunday brought 2.75 inches of moisture to all Na- talia trade territory, and will be beneficial to all growing crops and pastures, especially corn and grain sorghums.

The green bean harvest has been in full swing the past ten days and will continue for some two weeks. The beans are of good quality this year and the yield is good. The receipts at the Marshall Canning Co. here the past week have averaged from 40-50 tons per day, and is expected to run even more the next few days. It is planned to have 500 pickers in the fields this week.

According to information fur- nished by George Fendley, local manager, this will exceed the capacity of the local plant and the overflow will be sent to McAllen for processing. About 75 people are now employed and it is now operating well into the night.

The sweet corn harvest is ex- pected to begin just as soon as the fields are dry enough to enter. The local canning company will also process a large amount of the sweet corn crop here.

★

DEVINE—Rainfall amount- ing to 1.80 inches fell in town Sunday with some places report- ing as much as 3 inches. Sweet corn harvest has slowed because of wet fields.

The corn harvest is just begin- ning. A few dry, sunshiny days will find the harvest in full swing.

A few melon growers expect to cut melons next week but the majority will be ready around June 15.

C. C. Rogers, 84 Claimed By Death

C. C. Rogers, long-time resident of Hondo, died Wednesday at the Medina Hospital after a brief ill- ness, and funeral services were held June 1, 1951, at the Horger Funeral Home. Rev. Walter Froeh- ner officiated assisted by Dr. Lov- ern of San Antonio, and interment was at Oakwood Cemetery.

Mr. Rogers was born Aug. 3, 1866 at Seguin and had attained the age of 84 years, 9 months and 26 days. As a young man he saw service with the Texas Rangers on the river before his marriage about 1890 to the former Miss Ida Mofield.

He had been a resident of Hondo for the past 50 years and engaged in stock-farming on his place about 10 miles south of town. He was a member of the Methodist Church and Odd Fellows Lodge.

Survivors include two sons, Joe Rogers of Atascosa and C. C. Rog- ers Jr. of San Antonio, and one daughter, Mrs. Emma Bell Fulton of Hondo. Only one brother, J. B. Rogers of San Antonio, survives from a large family.

Pall bearers were his nephews: Malcolm and Frank Rogers of San Antonio, Billie and Bazel Brawner of Seguin, and E. J. Rogers and Elroy Mofield of Hondo.

St. Joseph's Conducts School

DEVINE—Rev. Gerald Boehme reports religious vacation school in progress at the Catholic church- es in Lytle and Natalia this week. Three young students from St. John's Seminary in San Antonio, Emil Wesselki, Michael Stanzel and Joe Halata, are instructing the children in religious work. Revs. Boehme and Noak of De- vine are the pastors in charge of these churches.

St. Joseph's church in Devine will sponsor a similar school, be- ginning the week of July 2. Out- of-town Sisters of Charity will be the instructors in charge of the classes.

The homecoming celebration of St. Joseph's church will be on July 4.

A barbecue dinner, entertain- ment, amusement stands, and con- cessions are listed on the day's agenda.

Pastors Arrive At Hondo, Devine.

Rev. Leslie McDaniel, new pastor of the First Methodist Church, Hondo, arrived here last Friday with his family and preached both services Sunday.

Rev. McDaniel comes to Hondo from LaFeria where he was pastor six years. Prior to that, he was in Hallettsville for five years, Big Lake four years, Flatonia one year, Ganada three years, and Leander two years.

A native of Burnet County, Rev. McDaniel is a graduate of South- western University and also did work at Moody Bible Institute in Chicago. Mrs. McDaniel is a native of Ranger. They have three chil- dren, Mabeth, Leslie David, and Elaine.

In La Feria, Rev. McDaniel was a member of the Rotary Inter- national.

★

DEVINE.—Rev. and Mrs. E. W. Deckert formerly of Eden, Texas, arrived in Devine Wednesday of last week to take over the pastor- ate of the Methodist Church.

On Friday evening members of the church turned out in force to extend a welcome to them. The party was in the form of a "pound- ing' and a "get acquainted" social. There were over a hundred in at- tendance. To further welcome the new pastor Rev. Don Rose, Baptist minister, dismissed Sunday night services at the Baptist Church and the congregation went in a body to the Methodist Church for serv- ices.

To Our Subscribers

During the past few days we have transfer- red hundreds of subscriptions from The La Coste Ledger list to The Anvil Herald files.

Many people who were getting both papers had their names different on the two lists. Where The Ledger showed A. B. Jones, for ex- ample, The Anvil Herald might show Albert B. Jones.

If you are getting two papers, or if you are not getting a paper that should be coming to you, please let us know right away, and we will do our best to get the subscription list correct.

Burleigh L. Redus

Pvt. BURLEIGH L. REDUS, 19, son of Mr. and Mrs. Lou E. Redus, Castroville, is completing his AF basic airmen indoctrination course at Lackland Air Force Base, the "Gateway to the Air Force".

Lackland, situated near San Antonio, is the world's largest air force base, site air force basic training, for men and women, headquarters of the Human Resource Research Center, and home of AF's Officer Candidate School.

His basic training is preparing him for entrance into Air Force technical training and for assignment in specialized work. The course includes a scientific evaluation of his aptitude and inclination for following a particular vocation and career.

He is the husband of Mrs. Rheta Redus, also of Castroville.

★

RONNIE B. STONE, son of Mr. and Mrs. C. R. Stone, Natalia, has completed his basic training at U. S. Naval Training Center, San Diego, Calif., and was home for a few days this last week. He was accompanied by his parents and Miss Sue Ann Short of Hondo to the Naval Base at Corpus Christi, where he is now stationed.

★

Sfc. RICHARD J. YOUNG, Hondo, Texas, considers himself a pretty lucky man. A veteran of some five years in the United States Army, Young served almost nine months with the 24th Division in Korea as a Platoon Sergeant and is now a patient at Brooke Army Hospital, Brooke Army Medical Center, Fort Sam Houston, Texas.

While launching an attack at Yangpang in South Korea, Young was hit directly in the chin by small arms fire and the bullet came out under his right shoulder blade. "I don't know how it happened," says Young, "but it certainly did."

★

Sfc. JOHN V. WASHINGTON of Lytle has been awarded the army's bronze star for heroism on the Korean battlefront. He is a member of Co. A, 8th Eng. Battalion, First Cavalry Div.

While accompanying a tank column near Pyongyang, Korea, on Oct. 19, 1950, Sgt. Washington was halted by enemy action against the armored vehicles. Volunteering to act as a rifleman, Sgt. Washington, without regard for his own safety, moved to the rear of a building in which Red soldiers were directing small arms fire and killed three and captured five, reducing the pocket of enemy resistance. Because of his quick-thinking and action, the column was able to work free of the trap.

Miss Bourquin Becomes Bride Of Albert Schneider June 4

Couple Will Reside In Castroville

CASTROVILLE—The marriage of Miss Mary Margaret Bourquin, daughter of Mr. and Mrs. Hugo H. Bourquin, and Albert A. Schneider, son of Albert F. Schneider, was solemnized June 4 at 10:00 A. M. in St. Louis Church, with the Very Rev. Dean J. Lenzen officiating.

The bride was lovely in her bridal gown of white marquisette. A short embroidered organdy bolero covered a strapless bodice from which extended a full skirt adorned with embroidered organdy and swept into a small train. A white sequin beaded cap held her circular veil of imported French illusion, and she carried a white bridal bouquet.

The bride was given away by her father. Miss Mary Jo Granieri was maid of honor, and Miss Anna Louise Tschirhart was a bridesmade. Olan Karm was best man, and Maurice Hans served as a groomsman.

A reception was held in St. Louis Parish Hall.

The couple will be at home in Castroville.

Franger-Olenick Nuptials Read In LaCoste Sunday

Miss Mary Ellen Franger, daughter of Mr. and Mrs. H. F. Franger of LaCoste, became the bride of Norman Olenick, son of Mr. and Mrs. O. E. Olenick of San Antonio in Our Lady of Grace Catholic Church, LaCoste, on Saturday morning, June 2, at 8:30. Rev. Henry S. Herbst, pastor, officiated at the ceremony and the nuptial mass which followed.

The bride, who was given in marriage by her father, wore a tailored eggshell suit with navy accessories. Her bouquet was of talisman roses.

Miss Grace Ann Franger was her sister's maid of honor. She wore a tailored pink suit with navy accessories and carried pink carnations.

Jack Jackson was best man. Thomas Parma and Marvin Franger ushered.

A reception was held at the home of the bride's parents. About seventy-five guests were present.

Following a honeymoon at the coast the young couple will be at home in San Antonio.

YANCEY.—Pvt. Craig Wilson, who is at home on furlough and will report to Ft. Riley, Kan., for school, was honored with a barbecue at the home of his parents, Mr. and Mrs. J. N. Wilson, on Saturday.

Present were Mr. and Mrs. Lawrence Wilson and children of Somerset, Mrs. Frances Wilson and daughter, Ann, and a friend from Phoenix, Ariz., Mr. and Mrs. Walter McClaugherty, Mrs. Margie Wilson and sons, Mr. and Mrs. Albert Wilson and son, Ramona Rucker and Mary Louise Decker, all of Hondo, and Mrs. Elbert Wilson, Wilbur Wilson, Mr. and Mrs. Roy Wilson and family, Mr. and Mrs. George Wilson, Mr. and Mrs. Jimmie Heiligman and family, Miss Dora Mae Wilson, Mr. and Mrs. Harrison Wilson, Mr. and Mrs. P. D. McAnelly, Mr. and Mrs. Willard Wilson, Mr. and Mrs. S. P. Childress, Mrs. Betty Tulloch and daughters, and Mrs. N. F. Berry, all of Yancey, and Mr. and Mrs. Earl Berry and family of Belton.

Double Ring Rites Unite Eva Rihn, Raymond Waneck

LaCOSTE—In a double ring ceremony in Our Lady of Grace Catholic Church on Monday morning, June 4, at 9 o'clock, Miss Eva Marie Rihn, daughter of Mr. and Mrs. Bernard Rihn of LaCoste, became the bride of Raymond Waneck, son of Mrs. Hedwig Waneck of San Antonio. Rev. Henry S. Herbst, pastor, officiated at the ceremony and the nuptial mass which followed. The church was decorated beautifully with profusions of varicolored gladioli.

The bride was given in marriage by her father and she wore an off-white tailored suit with navy accessories and carried a colonial bouquet of pink carnations.

Misses Madelyn and Adelyn Rihn, twin sisters of the bride, were maid-of-honor and bridesmaid respectively. They were dressed alike in lime green linen frocks with white accessories and white carnation corsages.

Sylvester Waneck was his brother's best man and Dennis Rihn, brother of the bride, was groomsman.

A reception was held immediately after the ceremony at the V. F. W. Hall in LaCoste. Miss Mary Cathryn Rihn, sister of the bride, presided over the bride's book in which some 50 guests registered.

After a brief honeymoon the young couple will live in San Antonio.

Marilyn Jungman, Sylvan Stein Wed

CASTROVILLE—Miss Marilyn Jungman, daughter of Mr. and Mrs. W. J. Jungman, and Sylvan Charles Stein, son of Mr. and Mrs. Alfred Stein of Rio Medina, were married in St. Louis Catholic Church Tuesday morning, May 22.

Rev. Dean Jacob Lenzen officiated at the double ring ceremony and Rev. Wilbert Leopold read the Nuptial High Mass.

The bride, who was given in marriage by her father, was gowned in white slipper satin and bridal rose lace, and her veil of illusion was caught to a cap of the same lace. For something borrowed she carried a white crystal rosary, belonging to her grandmother, that had been blessed by the Pope in Rome. The bridal bouquet was of carnations and stephanotis.

The maid of honor, Miss Eilleen Stein, and bridesmaid, Miss Alfrene Stein, wore blue organdy with matching bonnets, and carried crescent shaped bouquets of yellow carnations.

Donald Jungman was best man and Thomas Jungman was the groomsman. Harold Stein and Matt Jungman served as ushers.

After the ceremony, a reception was held at Koenig Park.

Mr. and Mrs. Stein are now at home in Rio Medina following a short wedding trip to the coast.

SURPRISE PARTY GIVEN FOR MRS. JACK SHARP

UPPER QUIHI—The Upper Quihi PTA honored Mrs. Jack Sharp with a surprise birthday party on Saturday evening, June 2.

The trustees of Upper Quihi School called a business meeting and invited Mrs. Sharp to be present. At the appointed time all the people drove up to the school house blowing their horns as a salute to the honoree. The entire group formed a half-circle and sang "Happy Birthday."

The honoree received a set of cooking utensils from the PTA members and an electric clock from the school children.

The birthday cake was a one tier white confection decorated with pink rosebuds and "Happy Birthday, Mrs. Sharp."

Ice cream and cake were served to 74 guests.

Over 150 Enter Flower Show

FLOWER SHOW WINNERS--Shown are Mrs. Everett B. Vincent, chairman of the staging committee, Richard Corder, winner in the children's division, Mrs. Fabian Garrison, receiving a corsage being pinned on by Mrs. R. R. Corder, general chairman of the show, and Katherine Marie Vincent, winner in the children's division.

The Hondo Garden Club's annual flower show was held Saturday.

Mrs. Garrison Again Wins Sweepstakes

For the second consecutive year, Mrs. Fabian Garrison, newly elected president of the Hondo Garden Club, was proclaimed sweepstakes winner of the annual flower show sponsored Saturday by that organization. In a show which had more than 150 entries, Mrs. Garrison's talent of working with flowers to fashion arrangements proved to be outstanding.

Held in the old high school gymnasium, the third annual flower show of the Hondo club entitled "Westward Ho" drew more entries than in previous years. The judges for the show highly complimented the work done by the staging committee, headed by Mrs. Everett B. Vincent, in the appearance of the gymnasium, and the general chairman of the show, Mrs. R. R. Corder, for the over-all success of the undertaking.

On entering, visitors to the display were pinned with "Westward Ho" tags in the shape of cowboy boots. Assisting with this as junior hostesses were Misses Pat Smith, Doris Lindeburg, Beverly Schweers, Fay Dell Neuman, Shirley Lutz, and Ann Eckhart. Leading up to a central gate which opened into the flower display were backgrounds composed of yucca, cactus and dagger plants, wild persimmon and cedar trees, and wild flowers. The presence of a chuck wagon and a campfire added to the authenticity of the western setting.

Assisting Mrs. Vincent with staging were Mrs. Fabian Garrison, in charge of the Wild Life Conservatory Scene; Mrs. Al Schiffers, in charge of the "On the Trail" scene; Mrs. Paul Bybee, "Circus Parade" display; Mrs. W. L. Taylor, arrangement of tables; Mrs. W. A. Bendele, specimen exhibits; and Mrs. W. T. Hardy, properties. Mrs. Leo Laake, Mrs. Armin Rothe, Mrs. Walter Rothe, and Mrs. Harrison Wilson were also assistants with the staging arrangements.

Winners in the children's division of the show were Richard Corder, also a second year winner, and Katherine Marie Vincent.

The judges for the event were Mrs. C. C. Witchell Jr., Mrs. R. D. Coley and Mrs. Philip Cain, all of San Antonio. Following their inspection of the entries and awarding of ribbons to winning entries, they were entertained at noon with a western style barbecue held at the new home of Mrs. Pete Knowles. Mrs. Ray Jennings was in charge of the hospitality and Mrs. W. B. Meyer was head of the judging committee.

The schedule committee, headed by Mrs. E. G. Pope, totaled the points and announced the winners.

Winners in the merchants division for those carrying out a flower show theme were Dawson 5c to $1 Store, Fly Drug Company, and Chamber of Commerce all of which won blue riobons, Crows Cleaners won a red ribbon, and Leinwebers, honorable mention.

Open House And Silver Tea Held At New Parsonage

An open house and silver tea was held on Wednesday, May 30, at the newly completed parsonage of the First Methodist Church, Hondo. The parsonage was ready for occupancy; the furniture was placed, and venetian blinds and curtains hung. Bouquets of gladioli and bowls of sweet peas added color to the rooms.

The parsonage has three large bedrooms with walk-in closets, two complete bathrooms with ample closets, two short hallways that boast large closets, U shaped cabinet with double basin and double drainboard sink in the kitchen, utility room, dining room and living room. There is also a small screened porch.

A large fan is installed in the attic, with both the intake and exhaust openings equipped with louvres that open and close automatically. Wainscotting in the kitchen and bathrooms is smooth troweled cement plaster. Total area is 2,354 square feet.

The exterior walls of the new parsonage are of Austin cut limestone veneer.

Athletic Association Organized

Recreational Facilities At Air Base Are Talked

A Hondo Athletic and Recreational Association was formed Monday night as players and managers of the Hondo Softball League met to discuss a new site for a softball diamond.

Although the association will limit its activities to softball for the time being, it has hopes of expanding in the near future to provide other recreational facilities in Hondo, such as tennis and volleyball.

A delegation from the meeting conferred with the Hondo city council and learned that the city might provide a 400 by 400 foot space on the east side of the airfield for recreational purposes. Members of the council agreed to postpone final action, however, until the matter could be looked into further.

Moving from the present diamond in July has been necessitated by the reopening of the Hondo Air Base. Much of the equipment at the diamond belongs to the Softball League, including the bleachers, back-stop, bases, fencing, and light bulbs and can be moved to the new site.

Annual dues in the new association were set at a minimum of $1 for individuals and a minimum of $5 for business. Persons belonging to the association will be able to participate in the recreational activities conducted by the group. Officers will be elected and by-laws drawn up at a later meeting.

The association hopes to be able to secure enough members to operate on a pay-as-you-go basis in the future. A similar association in Devine has been operating in this manner for some time.

The proposed softball diamond would be constructed with the left, center and right field fences 225 feet from home base. Present plans call for constructing it so that admission to games might be charged.

When the association's activities are expanded, a year-round recreational program will be provided the citizens of Hondo. At present, the softball season is limited to the late spring and summer months.

Other business discussed at the meeting Monday night included a decision to enter a softball team from Hondo in the Golden Ball Tournament in San Antonio this season. An All Star team, which will be picked by the managers to meet another All Star aggregation on June 15, will represent Hondo in the San Antonio tournament.

Car Stolen During Commencement Rites

DEVINE—A car belonging to Otis Slater was driven out of town Thursday night by unkown parties, during the 8th grade commenecement exercises when parking was heavy on both sides of the street. Slater missed his car Friday morning and notified officers. The missing car was located by highway patrol in the outskirts of San Antonio Friday afternoon. A shot gun, suit of clothes, and other items belonging to Slater were still in the car and

Menck's Grocery Burglarized Again

NATALIA—W. A. Menks Grocery store located at the corner of Miller Street and Highway 81 was burglarized again last night. Entrance was made through a window at the northwest corner of the building.

Loot consisted of men's clothing, shirts, gloves, socks, one radio, cigars, cigarettes, and 20 pounds of bananas.

Investigation has been made by sheriff's department, high way patrol and other local officers.

Finger prints were taken.

NATALIA NEWS

By E. H. Whittington

In driving north from Natalia on the Pearson road one cannot help but notice the many improvements being made or just completed. First is a new four room home recently completed and occupied by Andy Simons. Next door Ray Keith is just completing a new three room house for Mr. and Mrs. Ward. O. D. Chance is adding two rooms to his home and Glen Baker is adding two rooms and putting on a new roof and new asbestos siding. Just around the corner, Fred Schneider is adding two rooms to his home and the S. E. Schaefer home is being leveled and new foundation is being put in place. Ray Palmer has just completed a new four room house which is now ready for occupancy. All these improvements are being made within the distance of one mile.

Mr. and Mrs. C. H. Handcock and daughter from Bartlesbille, Okla., are visiting in the home of her mother and father, Mr. and Mrs. N. I. Powell of Natalia, this week. Mrs. Powell has just returned from the hospital in Castroville where she underwent an operation. She is doing well.

Henry Pike, with a car load of Kelly Field workers, in turning off highway 81 onto Walton Street near the lighted ball park, overturned his car, but the car struck on its side with such force that it righted itself and Mr. Pike regained control. No one was hurt, but all were bady frightened.

Yancey, D'Hanis Win Wednesday

Yancey remained undefeated during the past week as they swept past the Jaycees 18-8 and shutout Chapman Grain 6-0. In other games, D'Hanis won their first game of the year as they suddenly came to life to massacre the Jaycees 22-1, and the Hondo Bluebirds dropped an 8-6 decision to the Pearsall girls.

New records for the year went into the book Friday night. Johnny Faseler continued his hold over Hondo Softball League batters as he held Chapman hitless and runless in seven innings, the first no-hitter of the year for a full-length game. Faseler struck out 17 of the opponents and every Chapman batter at least once. The closest thing to a hit off of him was a short drive to left field in the second inning by Richter which Muenninks almost speared but dropped for an error. Richter was the only Chapman player to reach second base safely.

The nightcap saw D'Hanis parade 23 batters to the plate in the first inning as 18 runs scored. Home runs by Burrell, Zinsmeyer and Huser and a pair of doubles by Ferd Rothe aided the cause.

Yancey, without Faseler, still had little trouble last Wednesday night as they trounced the Jaycees 18-8 in three innings. The Harvesters needed only six hits to turn the trick with four of those going over the fence for home runs with men on base. W. Wilson, A. Wilson, Homer Martin, and Karl Faseler each poled four-masters, batting in 15 runs. The Jaycees were unable to hold on to a first inning lead of 6-0.

The Bluebirds led Pearsall 4-3 after the first inning and stretched their margin to 6-3 in the second before weakening. Pearsall fought back for a pair of runs in the fourth, then scored three in the last inning for the victory.

D'Hanis Hands Yancey First Defeat Of Year

The rejuvinated D'Hanis Lions swept their second straight game Wednesday night in beating Yancey 3-1 in Hondo Softball League play. The loss was the first registered by the Harvesters.

Johnny Faseler and Koch teamed up in a pitching duel, Faseler striking out 13 and yielding 5 hits while Koch whiffed 6 but gave up only three scattered singles. Four of the D'Hanis hits came in the fifth inning when all three runs scored.

Chapman Grain edged Sinclair in the second game 7-4 as Jack Hartung slammed two home runs to account for five runs. Chapman scored in the first inning and never lost the lead and Hemby and Charles Hartman both hurled creditable games.

Box scores will appear next week.

LACOSTE ATHLETICS WIN OVER MACDONA CUBS 17-3

LaCoste 17—Macdona 3

Playing off a previously rained out date on their schedule the LaCoste Athletics dumped the Macdona Cubs 17-3 before a nice crowd in LaCoste, Wednesday evening, May 30th. The victory moved the Athletics into a tie with the Rio Medina Tigers for the 4th place slot in the league standings as the first round of the schedule drew to a close. Both clubs have a rceord of 4 wins and 3 loses for a percentage of .571.

The loss meanwhile dropped the Macdona nine deeper into the league cellar, since they were unable to notch a victory through their first seven games.

Very loose fielding and the wildness of the Macdona pitching was largely responsible for their slaughter at LaCoste, as the Cubs errored on 12 occasions, while their pitching walked 10 Athletics and put two others on first hit by pitched ball. The Athletics however, rifled out 16 base hits to help the cause. W. Geiger who started in his 1951 hill debute for the Cubs was charged with the loss.

Santleben working on the hill for LaCoste allowed 6 hits to notch the win.

M. Franger, Athletic shortstop drew a base on balls the first four times he went to the plate, while L. Keller, A. Keller and Santleben were LaCoste's outstanding hitters in the tussle. The trio collected 11 hits.

Rain Disrupts All Star Game; Play July 4, 8

The Highway 90 League will resume its regular schedule Sunday after the All Star game was rained out in D'Hanis on June 3.

The All Star game is scheduled for LaCoste on July 4 with a second to be played in D'Hanis on Sunday, July 8. If a third game is necessary, it will probably be played following completion of the schedule at Macdona.

BUSINESS IMPROVEMENTS

Construction is now underway on a 44 x 100 foot addition to the Allen Tillotson garage, and the added space will be used for display and service facilities.

It is located on the east lot adjoining his present location, on 18th street.

A new service station is being built by the Bryson-Knowles Buick Company, adjoining their present building on the east side.

Jack Schuehle has completed his new paint and body shop, on the west side of his place.

EAGLE PASS TO GET NEW HOUSING PROJECT

An additional 54 low-rent housing units will be built in Eagle Pass, according to an announcement in the Eagle Pass News-Guide by the City of Eagle Pass Housing Authority. The new units will bring to a total of 100 the number erected in Eagle Pass.

The first project, consisting of four units, is nearing completion. Units range from one to as high as four-bedroom apartments, each furnished with electric refrigerators, gas ranges and space heaters.

Thirteen buildings will be erected for the newest project.

The Seco Philosopher

J. A. EXPERIMENTS WITH WAY TO COMBAT JOHNSON GRASS

Editor's note: The Seco Philosophor on his Johnson grass farm may not get anywhere with his contention this week, but you can't blame him for trying.

Dear editar:

I was reading last night in a farm magazine, which most farmers read to get their minds off the realities of actual farmin, about an experiment bein conducted in the state of Washington, where timber operators are 'scarin" their trees into producin more seeds and cones in a hurry by puttin a metal band around the trunk. This, accordin to the article, makes the tree feel it's bein choked and it makes an extra special effort to grow fast before it's too late, thus producin more seeds and cones.

J. A.

This has been heralded as somethin new, but it ain't. I been doin practically the same thing out here on my farm for years.

A lot of people drivin by my farm take one look and conclude I'm lazy, sayin nobody but a lazy good-for-nothin farmer would have as much Johnson grass and weeds in his crops.

Them weeds and that grass is in there for a purpose. They're stimulatin the crops to produce faster before they're choked to death, as my crops have learned long ago their growin season is limited, it's a lot shorter than some of these garden-clean farms.

What I've been doin over the years is workin on a hardier strain of cotton and corn, a brand that can fight its way through grass and weeds without no help from me. With me, pamperin a crop is bad as pamperin a child. Most farmers try to keep their fields so clean their plants are almost hothouse things, they do well while conditions are exactly right but at the first hint of a disease they fall out. Why, some crops are so carefully protected from the rough and tumble of livin they're probably subject to whoopin cough and the collic, whereas my crops know if they make it they'll have to fight their own way up.

I may not get quite as good a yield, but on the other hand I don't wear out nearly as much equipment.

What A & M College experts ought to be workin on, instead of how to throw up a protective screen of complicated poisons and fertilizers to get these lily-white tender plants to live, is a plant that can make its own way in the world. We need a seed so strong you can throw it and a handful of Johnson grass seed out in a field and come back in the fall and find the Johnson grass in ruins and the lone seed a fully developed plant ready for harvestin. I'm workin on the problem.

Yours faithfully,
J. A.

"THE SCANDALOUS YEARS"—A SORDID STORY

A friend sent us a marked copy of a recent issue of "Look" magazine.

"Look" looks—from the appearance of this issue—like a publication with sufficient financial backing to make it amenable for any damage it might do to the reputation of any one.

We must take it as a fact, therefore, that the magazine is certain of its facts before its statements are committed to the printed page!

Personal security—not to mention—moral obligation—would dictate as much.

A pencil mark around the first three words at the head of this article, in bold-faced type on the front cover page, directed our attention to an article beginning on page 31 and bearing the same caption.

Then follows through seven of of its large three-columned pages a sickening exposure of official corruption without a parallel in the history of nations.

No corrupt dictator of Rome, or any other nation, in its rottenest era of decay and dissolution, ever did his nation a greater disservice than did the late Franklin Delano Roosevelt inflict on his country when he selected for his running-mate and successor the Pendergast lackey boy now fouling the White House at Washington.

Made President by the incident of Roosevelt's death, it is recorded, in the article here discussed, that on the train bearing Truman back from the funeral of his predecessor, the intrigue began, and we quote:

"As the train rolled southward, the new administration went to work . . . Edwin W. Pauley . . . treasurer of the Democratic National Committee, talked with Secretary of the Interior Harold L. Ickes" .

Of that conversation and its import, Ickes wrote that it was "the rawest proposition that has ever been made to me", and refused to "Smear" his "record" with oil.

But despite this revulsion for the man and his conduct, we quote:

"In Washington a few days after the funeral, President Truman appointed Pauley U. S. representative on the Allied Reparations Commission with the rank of Ambassador."

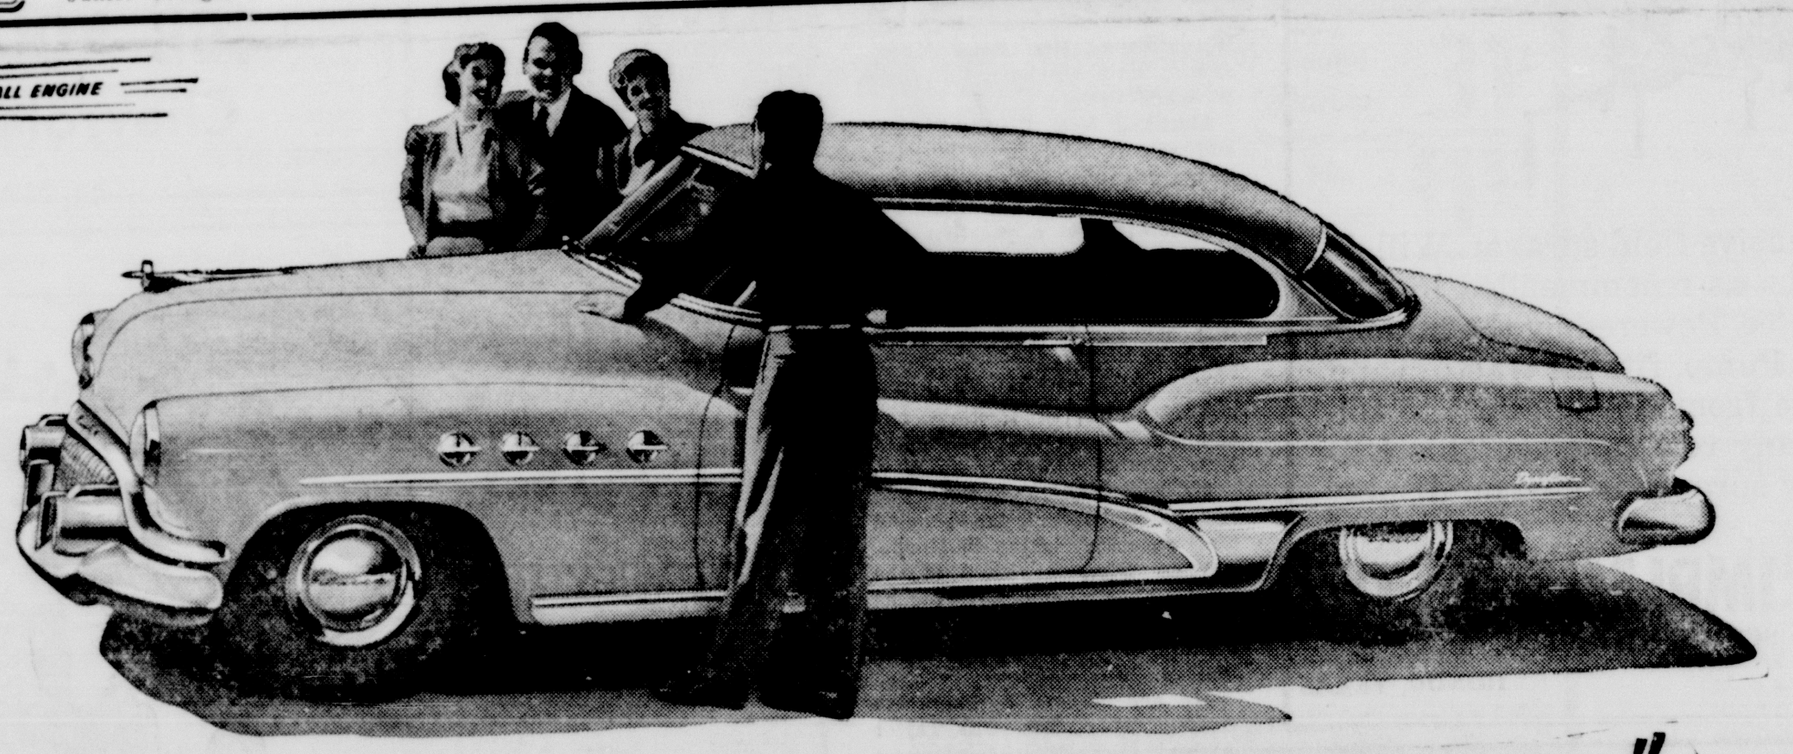

Then follows this sweetsmelling paragraph:

"President Truman began issuing pardons to (his) fellow workers in the Pendergast machine before he had been in office a month. Sixty-three had been convicted of vote fraud in the 1936 elections in Jackson County, Mo., home county of President Truman and Boss Tom Pendergast. Beginning with James G. Gildea on May 5, President Truman pardoned 15 ballot thieves within a year, restoring their civil rights and clearing them for future political activity. The White House did not make any announcement concerning the pardons."

Paragraph after paragraph of like odoriferous proportions could

IT'S A FIREBALL ENGINE

"Some day I'm going to own a Roadmaster"

ONE thing that interests us mightily is the fact that so many people are stepping up, when they buy automobiles.

We've been looking at surveys, and it seems that just about everyone wants a better car than the one he's now driving.

So we know how you feel, and we'd like to help you make *your* dreams come true.

We'd like you to discover how fine a fine car can be.

We'd like you to stretch out in the room of a ROADMASTER—feel the luxury of its double-depth cushions—stroke the fine texture of its fabrics.

We'd like you to know the proud levelness of its coil-spring cushioned ride—as well as its gentle obedience to your hand on the wheel.

We'd like to show you the many extras this custom-built Buick provides—at no extra charge when we come to make out a bill of sale.

But above all, we'd like you to experience two thrills found exclusively in ROADMASTERS.

One is the smooth might of its Fireball Engine. The other is the supreme simplicity of Dynaflow Drive, which is, incidentally, one of the many features included in the price.

We try to hold down our enthusiasm in talking about this masterful beauty.

We might claim—you'll find *more* room—*more* comfort—*more* luxury—a *smoother* ride—*more* conveniences—*more* thrill in a ROADMASTER than in any other car in the fine-car field.

But why spoil the thrill of discovery? Come find out for yourself how completely a 1951 ROADMASTER fulfills the dreams of the car you hope sometime to own.

And let us whisper something to you: The cost of making this step to ROADMASTER ownership is less than most people believe.

Polio Do's And Don'ts

With the coming of Summer the ever present danger of Polio becomes more prominent. The National Foundation for Infantile Paralysis has suggested the following precautions which should be taken to prevent the spreading of the disease should it strike.

DO allow children to play with friends they have been with right along. Keep them away from new people, especially in the close daily living of a home.

DO wash hands carefully before eating and always after using the toilet—especially important when polio is around. Also keep food clean and covered.

DO watch for signs of sickness, such as headache, fever, sore throat, upset stomach, sore muscles, stiff neck or back, exetreme tiredness or nervousness, trouble in breathing or swallowing.

DO put a sick person to bed at once, away from others, and call the Doctor. Quick action may lessen crippling.

DO telephone your local chapter of National Foundation for Infantile Paralysis, if you need help. Locate through telephone book or health department. No patient need go without care for lack of money. Your chapter will pay what you cannot afford.

DO remember—at least half of all polio patients get well without any crippling.

DON'T get over-tired by hard play, exercise, work or travel. This means men, women and children.

DON'T get chilled. Don't bathe or swim long in cold water, or sit around in wet clothes.

DON'T have mouth or throat operations during a polio outbreak.

DON'T use another person's towels, dishes, tableware or the like.

DON'T take children to places where there is polio. Ask your health department.

DON'T take your child out of camp or playground. where there is good health supervision.

For additional information about Polio write the National Foundation for Infantile Paralysis, 120 Broadway, New York 5, N. Y.

F. F. A. Officers Attended District Meet At Utopia

Five Hondo F. F. A. officers for the '50-'51 school year attended a three day Winter Garden F. F. A. District officers training school at Utopia. Eight schools had officers attending.

The school was arranged with group meetings, special officers group meetings, swimming, music and baseball. Thursday afternoon the boys defeated the agriculture teachers a close 6-5 softball game. Johnny Faseler of Yancey did all the pitching for the boys team.

O. J. Williams, local F. F. A. secretary for next year, won a parliamentary drill by defeating all other boys at the training school. He received a pair of socks as a prize.

Floyd Saathoff, local F. F. A. treasurer for next year, was elected as Winter Garden District F. F. A. treasurer. All candidates for district office had to show their ability in proper parliamentary practices in conduct of meetings.

The Hondo boys attending the training school were Douglas Bohmfalk, president; Johnny Graff, vice-president; O. J. Williams, secretary; Floyd Saathoff, treasurer; Lloyd Muennink, parliamentarian; and John McAnelly, advisor.

Eight Hondo F. F. A. boys are planning to attend the State F. F. A. Convention in Houston July 11, 12 and 13 at the Shamrock Hotel.

The Hondo F. F. A. Chapter expresses its appreciation to all who have helped in making its program of work possible this school year.

Livestock Flies Cause Big Losses

Flies affecting livestock cause tremendous loss to the farmers each year. Therefore, it is to the livestock man's advantage to provide the best possible control of these pests.

Charlie Cave, Kaufman County cattle breeder, said recently that the cattle in his herd, which were sprayed last year, were at least 10 per cent better than unsprayed animals.

It is usually necessary to apply specific control measures for each species of fly, says James A. Deer, assistant entomologist for the Texas Agricultural Extension Service.

Deer points out dairy cattle should not be sprayed with insecticides that may contaminate the cow's milk. He suggests that livestock men contact their county agricultural agents for the latest recommendations on controlling hornflies, stable flies, horse flies and houseflies. Hornflies alone may cost the livestock producer 50 pounds or more of beef per animal a year.

ELECTRICAL TIPS FOR THE HOME

If Your Stairways Are Poorly Lighted and Hazardous . . .

DON'T think you have to put up with old-fashioned fixtures and insufficient wiring. Improper lighting on stairways and lack of well-placed switches can cause serious accidents.

DO install modern fixtures placed so that all the steps will be lighted. Be sure to provide switches at both head and foot of stairs to turn on each light before ascending or descending.

lloyd's letter

LLOYD M. BENTSEN, JR.

Washington—At long last Congress has put its foot down firmly on our allies shipping arms and war materiels to Russia or any of its communist allies.

The Congress put the action where it would hurt the most by denying U. S. economic aid to any nation permitting shipments of arms or other war material to Russia or any of its communist allies. Certainly, the action by Congress was long overdue—but it should help stiffen the wavering backbones of our European allies who have quibbled and procrastinated about halting the flow of war materiel to those who seek to enslave the free world. With this, the action of the United Nations finally getting around to declaring an arms embargo on Red China was heartening, although tardy.

The western nations should apply the embargo as a matter of course to all communist nations. The Western world should see to it that no soldier of the United Nations serving in the cause of freedom will die of a bullet inscribed in the West and shipped via laxity, irresolution and the satisfaction of greed to free men's worst enemy.

GRANTS-IN-AID

There's a big slash coming for federal non-defense grants-in-aid state and local government for fiscal 1952.

A grant-in-aid is a method used by the federal government to make federal money available to the states, counties, and communities for certain programs. For these, then, the local governing bodies put up matching funds. Usually the federal government establishes certain standards which the state must meet to receive such funds. By this method, many of the cities in our district are constructing hospitals, air fields and similar public works.

Federal taxes have reached such a level that federal domestic expenditures must be curbed. We must re-examine these programs during this time of high defense expenditures. The Hoover commission on studying these grants recommended that they should be systematized and clarified, rather than continuing to grow like Topsy.

Your Congressman believes this is sound advice. It's advice the Congress and the President should carefully heed.

PERSONAL APPEARANCE

Anything can happen in Texas, but up at Mico there is a frog that lives in a window, catches bugs that light on house plants, and even rides on a toy horse. The little creature belongs to Mrs. RURAL MURRY, and if we hadn't seen his picture on a little bronze horse, we wouldn't have believed it either. Mrs. MURRY is a camera fan, using both the Polaroid One-Minute camera and the newspaperman's friend, the Speed Graphic. With her pictures as evidence, she tells visitors about her frog that lives in one of her windows, and proves the story.

The folks in Castroville have been beautifying the town, and especially attractive are the giant gladioli in front of the Hi-Way Barber shop, and the colorful floral display at the curb of Mrs. H. J. BIPPERT'S home.

LOCAL MEMBERS OF BAR ATTEND DISTRICT MEETING

Francis C. Richter, Hugh H. Meyer, Ann Davis, A. H. Rothe, and Joe Briscoe, members of the Medina County Bar, attended the second quarterly meeting of the Border District Bar Association in Uvalde on Saturday afternoon. The program included talks on court procedure by Hon. K. K. Woodley, commissioner on the Court of Civil Appeals, Austin, and Charles A. Lieck, trial lawyer of San Antonio. Following the meeting, a chicken barbecue supper was held at the home of Hon. John N. Garner. The next quarterly meeting of the association will be held in August at the Fort Clark Guest Ranch with Kinney County members as host.

THE WASHINGTON Merry-Go-Round

BY...DREW PEARSON

Debate Arms Boycott

MOST IMPORTANT diplomatic debate of the Korean war has been going on backstage at the United Nations—namely, an arms boycott of Red China.

So far our U.N. allies haven't got around to voting to ban arms, let alone an economic embargo. However, it remains a fact that this is one of the most important steps to be taken against any aggressor.

Furthermore there is a long history of diplomatic pussyfooting regarding this by our supposedly good friends—pussyfooting that eventually has landed them in war. Here is some case history:

Pussyfoot No. 1 was when the British undercut us in 1931 when Japan first invaded Manchuria. Issues almost identical to the Korean aggression were involved in Manchuria, and the late Secretary of State Henry L. Stimson saw them clearly. He saw that Japan was sowing the first wild oats of aggression, just as Russia is today, and that if she got away with one aggressive bite there would be more.

But Stimson never could get the British, who had more at stake than we, to cooperate. When U.S. Ambassador Cameron Forbes would deliver a note of protest, the British ambassador did likewise — then dropped round to the Japanese foreign office an hour or two later to explain that Britain's note was merely to please the Americans and not to be taken seriously.

Pussyfoot No. 2 was when President Roosevelt tried to organize an economic blockade of Japan in 1936 in order to stop further aggression against China. By this time the British realized their 1931 mistake and went along with us. But Roosevelt could not get the support of other European powers. Hitler and Mussolini were too strong by that time, and he also faced the private opposition of Cordell Hull.

Pussyfoot No. 3 came when Mussolini invaded helpless Ethiopia. This was one of the crudest cases of aggression the modern world has seen, and the tottering League of Nations conscientiously tried to act. But although an economic blockade was voted for the first time in history, two things made it unsuccessful.

One was the exclusion of oil. The big American and British oil companies pulled backstage wires, managed to scare British and American diplomats into permitting the continued shipments of oil to Mussolini. Without oil, his fleet would have been paralyzed and his trucks could not have moved. But we pussyfooted.

Pussyfoot No. 4 is taking place right now in regard to Red China, an obvious, wanton aggressor in Korea. While the British are the worst pussyfooters, we in the U.S.A., including General MacArthur himself, have pulled our punches.

MacArthur, for instance, has permitted a steady driblet of strategic materials to flow into Red China from Japan. From July to October, 1950, he permitted $8,106,000 in metals, machinery and textiles to leave Japan for China. From October to January, Jap exports to the Communists increased to $11,100,000. Since MacArthur controlled all Jap exports, this could have been stopped.

However, the flow of British goods entering China through Hong Kong is the most shocking scandal of the entire Korean war. While American lives are being snuffed out, British millionaires are being made overnight.

Yet the state department has taken no tough steps, such as a threat to cut off U.S. economic aid to Britain, as a means of stopping this trade.

Merry-Go-Round

Robert Mack, a senate elevator operator, literally stepped into Senator Kefauver's shoes the other day. The Tennessee crimebuster worked so late that he had to dress for dinner in his office, bolted out the door wearing dinner dress, but brown shoes. In the elevator he noticed his mistake, traded shoes with Mack, who had on black shoes, and got to dinner on time. . . . Congratulations to Ira Hirschmann and his radio station WABF in New York for winning the Peabody award for good music.

Chinese Give Up

It didn't get into the press communiques, but a small naval task force turned back a Chinese thrust down the Korean east coast recently. The Chinese Communists sent two units to prod for a weak spot in the South Korean line that is defending the east coast.

However, two American cruisers and four destroyers hurled broadsides all day into the attacking Chinese. After 1,000 rounds of devastating ship-to-shore fire, the Chinese gave up.

FirePower
ACCEPT NO SUBSTITUTES ... because there aren't any!

Chrysler's new FirePower engine has rocked the automobile business right down to its roots.

Quietly, behind all the laboratory talk of "engines of tomorrow" . . . Chrysler has built a revolutionary engine for you to drive *today!*

It can give you 180 horsepower, to surpass any other engine in any other car. It develops its power in its own *new kind* of way!

But you don't have to "baby" it . . . or give it fancy quality gasoline to get that 180 horsepower performance!

FirePower takes any regular grade gasoline you care to buy . . . and adds its own new "mechanical octanes" to the power-giving octanes of the gasoline itself.

The result is something new and startling in responsiveness . . . and in safety, too. You get quicker and smoother control of when and how you move than you have ever felt before.

It's the engine of tomorrow . . . on the road for you *today* . . . and your Chrysler dealer invites you now to try it, *in the all-around most astonishing new car you ever drove!*

180 HORSEPOWER

Here's the new *Hemispherical* Combustion Chamber that's the heart of Chrysler FirePower. Its new, designed-in "mechanical octanes" make regular grade gas do what best premium grades *can't* do in any other engine you can drive today!

Students May Still Enlist In Army, Air Force

Students who are registered with their local draft board, have been called and received mental and physical examinations, and are classified IA, may enlist in the Army or Air Force up until the time they receive their notice to report for induction.

Sgt. R. B. Sikes, Station Commander of the U. S. Army and U. S. Air Force Recruiting Station in Uvalde, announced today that the above information has been received from higher headquarters. He pointed out that until this time any man who had received his notice to report for physical examination was barred from voluntary enlistment.

Sgt. Sikes stressed however, that this ruling applies only to students who are pursuing a full course of intruction at an accredited institution of learning. Men not attending school who have been classfied IA and have had their physical examination are not eligible for enlistment: Accredited institutions of learning include both high school and colleges.

Ciavarro Family Visits Pittsburg For Several Weeks

By Mrs. Joy Tilley

Mr. and Mrs. John Ciavarro and little son, Joey, left Wednesday for Pittsburg, Pa., to spend several weeks with Mr. Ciavarro's parents, Mr. and Mrs. Eugene Ciavarro. This is Joey's first meeting with his paternal grandparents.

Mrs. Mae Stansel was a guest Thursday of Mr. and Mrs. E. M. Howard in Pearsall. Mr. and Mrs. Hugo Lipscomb and son and Mrs. Belle Dickinson from San Antonio visited with Mrs. Iris Lipscomb on Sunday.

Mr. and Mrs. Newton Luker from Stockdale and Mr. and Mrs. Jack Dibrell and sons, Victor and Terry of Seguin were Sunday guests of their grandmother, Mrs. Laura Griffin, and the J. W. Hall and John Griffin families.

Mrs. Travis Bain and children, Travis and Gladys, from Lubbock, came Saturday to visit relatives and friends.

Mr. and Mrs. L. W. Atkins spent the weekend in Galveston with relatives. Their daughter, Pat, stayed over for a two week's visit.

Rev. Gerald Boehme is out of town this week and is attending annual retreat at St. John's Seminary in San Antonio. Next week Rev. Joe Noak will be attending the seminary, taking a similar course.

be quoted, but space forbids.

We confine ourself to those only where their filth slopped over into our own state of Texas.

One "James J. Garvan . . . serving a five-year term for dodging income taxes on horse-race winnings," and whose "brother, Willie, tossed $1000 into the Democratic national campaign fund," had his prison sentence commuted by President Truman, and "a week later, four months before he was eligible for parole, . . . was free."

"Attorney General Tom C. Clark (he of Texas, where men are supposed to live above suspicion) said he had been a good prisoner and that a large number of respected persons had requested that he be released."

When the "raw deal" got so rancid that Ickes quit the cabinet rather than be associated with men of Pauley's type, a man whom Truman was restrained from making Under Secretary of the Navy by the Senate's refusal to confirm his nomination, he "dared Attorney General Clark to set a grand jury on Pauley. But the challenge was ignored."

General Clark evidently takes his scripture only in part—"Servants obey your master (but not) in the Lord!"

Concerning an election controversy in Missouri, we quote:

"The steal was so obvious that . . . Clark finally heard the screams of the Kansas City Star and let the F. B. I. investigate.

"The F. B. I. later admitted to a Senate committee that the investigation ordered by Clark was limited to a review of evidence developed by the Star. He carefully refrained from ordering a thorough inquiry. Clark is now an associate justice of the U. S. Supreme Court."

And further on, we again quote:

"Although Attorney General Clark and the President had failed to order a complete investigation of the 1946 piracy at the polls, a Jackson County grand jury did its own sleuthing. On May 17, the grand jury reported that Representative Slaughter had been 'deprived of the nomination by fraudulent miscount of votes and by other types of fraud.' The grand jury indicted 71 persons.

"Anticipating the report, Pendergast and gangster boss Binaggio had accumulated a fund of $35,000 to defend their minions. A few hours after the grand jury reported, thugs blew open the vault at the Jackson County courthouse and made off with the ballots impounded there. President Truman was sleeping in the Muehlebach Hotel, two blocks away.

"Disappearance of the ballots scuttled the case. President Truman and Attorney General Clark promised to investigate. A Senate committee started to look into the affair, but the Administration choked it off. Three years later, the statute of limitation took effect."

And here let Texas hang her glory-crowned head in humiliation while we quote:

"On August 13, 1947, four of the old Capone crowd walked out of Federal prison because they knew the right people . . . The wires they pulled can be traced to the White House and the Justice Department.

"On the Federal parole board were B. J. Monkiewicz and Fred S. Rogers, both appointed a few months earlier by Attorney General Clark. Rogers came from Bonham, Texas, the home town of Speaker Sam Rayburn of the House of Representatives. He was appointed on Rayburn's recommendation.

"The lawyer in the case included President Truman's old St. Louis campaign manager, Paul Dillion, and Maury Hughes of Dallas, boyhood friend of Attorney General Clark. Hughes got $15,000 for his efforts in the case.

"Some fantastic angles of the case were never cleared up. The Treasurer, for instance settled a $670,000 income-tax lien against Rica and Campagna for $128,000. Nobody seemed to know why."

After seven pages as bad—or worse—as those quoted above, we close with this last paragraph of Look's exposure:

"Investigation after investigation has continued to turn up shocking cases of hidden corruption and misuse of influence. Thousands of official pages of testimony have placed on the record this six year history of cronyism in our times. How deep does this corruption run?"

And to their question, we will only add these:

"Why should a self-governing people submit to such corruption?

And for how long?

ANNUAL SCHOOL PICNIC ENJOYED THURSDAY

LA COSTE—St. Mary's School Club was host to the children of Our Lady of Grace Parochial School, the Nuns, and some of the parents at the annual end-of-school picnic held in Echtle's Park last Thursday, May 31.

Various games, with baseball predominating, were enjoyed in the morning. At noon the group enjoyed a basket picnic with the club serving iced tea. Later in the afternoon ice cream and soda pop was served by the Club to all present. More games followed, the highlight being the baseball game between the ladies and the boys which ended with a shameful 35-0 score, the boys, of course, being the winners.

Before the group left the Park the Club served hot dogs and more soda pop to all present. A very good time was reported by all who attended.

62 Make Trip To Kerrville

Sixty-two persons from Medina County made the farm tour to the Entomology Experiment Station at Kerrville on June 5. Among the group were representatives of the Hondo Chamber of Commerce, Devine Chamber of Commerce, and the Medina County Farm Bureau.

The group was greeted by Dr. E. W. Laake, superintendent of the station, who arranged the program for the afternoon.

Discussions were led by specialists who explained latest work done on ticks, flies, lice, screwworms, insecticides, and the toxicology of the insecticides. Those attending got a better understanding of how to better combat insect pests on their livestock.

Four Men Held For Menck Store Robbery

Four men have been apprehended in Tahoka and have made oral confessions to the burglary of Menck's Store in Natalia last week.

Two of them, James Smith, 17, and Raymond Dzierzski, 14, have been tried in Medina County previously on charges of burglary.

Deputies Charles Hitzfelder and John Kempf went to Tahoka to obtain the confessions and found a portion of merchandise reported stolen from Menck's. The four men are being held by Tahoka officers to answer charges there.

Blue Bird Group Helps In Library

By Miss Ruth Lawler

CASTROVILLE — The Lily Blue Birds, junior organization of Camp Fire Girls in Castroville, have proved the old adage of "many hands make light work." They met at the city office in Castroville for their regular meeting and under the guidance of their leaders, prepared 400 books for shelving in the city's new library.

Edward Heusinger, a former resident of Castroville, donated 600 assorted books to the city to start a free public library, and the girls unpacked books, pasted pockets and data-due slips in the books and inserted the charge-out cards as they were prepared.

This was their first real civic venture and they were a well-satisfied group when they had completed their work. Hostess for this meeting was Kathleen Lafferty.

Their next regular meeting will be at their regular meeting place, with Frann Mangold as hostess. At this meeting, a "Flying-up" program will be held for Pattsy Keller who will graduate from the Blue Birds into Camp Fire. There will be no regular meetings of the Lily Blue Birds during July and August, and their leaders will be planning handcraft activities and games for another year of working and playing together when their meeting are resumed in September.

...Activities at the Hondo Air ...se have begun as 19 officers ...d 43 airmen have been assigned to duty, and some 43 civilian pilots have arrived for a brief training period prior to beginning the initial pre-flight class on July 9.

Workmen of the H. B. Zachry Company and sub-contractors have been constructing foundations and preparing grounds before moving buildings from the east side of the field at the end of the week.

Housing is becoming critical in Hondo and the Chamber of Commerce has appealed to residents to convert more units into apartments. In addition to the personnel already in town, others are expected to arrive between now and July 9.

Persons who have listed houses or apartments with the Chamber are asked to notify the office when the property is rented so that it might be removed from the available list.

The City of Hondo has requested the Public Housing Authority at Fort Worth to release the former Navigation Village property so that the city can deal with contractors in arranging for a housing project.

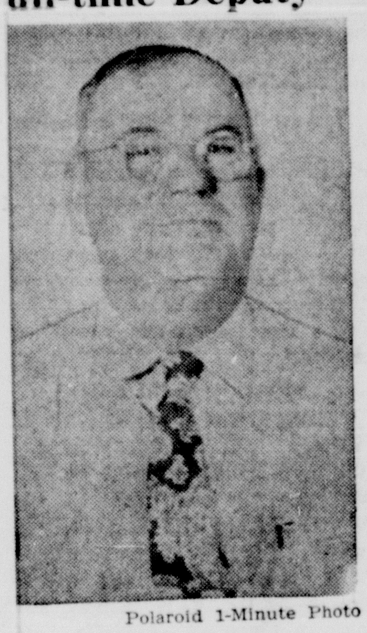

A project similar to one proposed at Luling is under consideration. There, a private company was awarded a contract to build a 66-family, $520,000 low-rent housing project. Units would be of brick veneer on baked tile.

The American Legion has leased the Legion Hall to Texas Aviation Industries, and the building will be converted into class rooms and an auditorium.

Pilots at the base will attend a flight school at Craig Field, Ala., before the first class arrives. There are at present some five AT-6 planes at the Hondo field, and they are being utilized by the civilian pilots.

Among the military personnel already in Hondo are the commanding officer, Lt. Col. John D. Irvin; CWO Hose H. Lovelace, adjutant; Major Ross D. White, training officer; and Capt. John J. Caldwell, commander of cadets. Maj. Gen. Luther Smith, retired, is director of training.

MARY LOUISE BENDELE WINS $100 4-H EDUCATION AWARD

Mary Louise Bendele of the Castroville 4-H club was named winner of the $100 scholarship for higher education by the Medina County Home Demonstration Council this week.

4-H girls graduating from county high schools were eligible for the award. They submitted records that are judged by the education committee of the council.

For six years Mary Louise has been a club member. During this time she has had projects of bedroom improvement, gardening, raising turkeys and feeding lambs for the county stock show, canning, and leadership activities. In 1950 she showed the grand champion lamb, and was president of her club. She was a member of the state championship dairy foods demonstration team. In 1951 she has served as president of the county 4-H council, and was second place winner in the senior division of the county dress revue. Other achievements include Medina County Gold Star girl in 1949. Mary has always tried "To make the best better," he 4-H motto.

Carolyn Hardcastle of Devine won second place. She has an outstanding record in clothing construction. She won the county clothing medal in 1950, and has constructed nearly all of her attractive college wardrobe. Carolyn joined the club in 1946.

Both girls are enrolled in business college. They hope to continue 4-H work as much as time allows.

Two Cars Collide At Blind Intersection

YANCEY.—A collision between two cars at the intersection of the Yancey and Devine roads, just south of Yancey, resulted in injuries to four persons Sunday evening.

A pickup truck driven by Mrs. Alfred Boggus and a car owned by Pancho Garcia collided at the intersection where high weeds were said to obstruct the visibility.

Mrs. Boggus was thrown against the steering wheel, her son, Preston, broke the windshield with his head and smashed in the glove compartment, and Carolyn Boggus was badly shaken. Stella Garcia, a passenger in the other vehicle, was taken to the Medina Hospital for treatment of minor cuts and was released.

Bible School Gives $27 Toward Church

NATALIA.—Students at the vacation Bible school of the First Baptist Church made up a special offering of $27.83 to help in building a Negro Baptist Church in Natalia.

Closing exercises for the 90 students of the school were held Friday evening.

The pastor, Rev. Stickland, said he was highly pleased with the action of the children because of its tendency to promote the spirit of mutual helpfulness and good will.

Yancey School

(Continued From Page 1)

best to resume high school at Yancey, it could be done. There would be no extra expense for the parents, and the students would have the privileges of engaging in glee club, band, and other extra activities which were being planned for Hondo in 1951-1352. He said that for years the Yancey students have been frequently using the Hondo gymnasiums and football fields, and the transfer would just let them attend classes in the same place.

Barry said that if Yancey sent their 21 high school students to Hondo next year it would entitle the school to one more teacher, while Yancey would then be able to put six teachers in charge of their first 8 grades instead of the three that now teach the first six.

Short Bed Cover

Mrs. Louis Faseler spoke to the group, and said that Yancey has been for several years like the man who had short bed cover. When he pulled it up to cover his shoulders, his feet got cold, and when he covered his feet, his arms suffered. She pointed out that some students had been required to take agriculture or homemaking against their own wishes in order that the school could get the state aid.

Robert Faseler took agriculture for four years, and did the same work each year, although he wanted to take Spanish and was not able to work it in. Two girls were also required to take agriculture several years ago in order that the course could be held open during a time when enrollment was small.

Churches Might Suffer

Elroy Mofield said that he felt Yancey would lose too much if the high school students transferred. He felt that their churches would suffer, and that the community life would be disrupted. Mofield also read a copy of a letter from Dr. J. W. Edgar, state commissioner of education, who said that about a year ago that the state board did not plan any arbitrary withdrawal of accreditation from schools which maintained their standards, even if enrollment did drop below the minimum figures. Mofield said that he would stack up Yancey's graduates against any others.

Dan McCrea spoke and said that apparently boys from Yancey had a better "moral tone" than those from other areas, according to what his son had reported after attending Southwest Texas Junior College in Uvalde. He felt that it would be best to continue the high school.

G. C. McAnelly said that he agreed with Mofield and McCrea concerning the quality of the Yancey students, and said they might do Hondo a good turn to send some of their fine students up there. He also said that when the old Stiles and Tehaucana schools were operating, they were farther apart in term of travel time than Yancey and Hondo, or even Yancey and Uvalde. He said that Yancey does not now have enough students to justify the expense of highly paid teachers, and that taxes now in the Yancey area are $1.50 per $100, more than anywhere else in the county.

Play Football Shorthanded

He pointed out that they have been paying the $1.50 rate for years, and asked people to figure what they get for the money, and see how costly it is to operate the high school. McAnelly also said that when a school gets down to where kids have to play football shorthanded, it is a serious handicap and it is not fair to the boys.

A. J. Hardt said that he regretted not having transferred his boy to Hondo, especially for the last year or two of his high school career.

T. A. Duderstadt spoke and said that the change would benefit the grammar school, because the teachers could have more help in teaching the eight grades.

Mrs. Roy Worley objected to sending the students to Hondo, because she felt that some of the Hondo students had a "superiority complex."

Supt. Barry asked permission to argue that point, and said that Hondo, Yancey, New Fountain, Quihi, and all other nearby points have so much in common that he did not feel there was any discrimination concerning such things as where a child came from.

Some "Spoiled Rotten"

He agreed that some students might be "spoiled rotten" but said that was true in any school, and that fine records had been made by many Hondo students who lived in the country.

E. A. Bendele, who was attending the meeting as a representative of the county school board, said that he hoped all those concerned could agree on which way to go, and said that disagreements made it difficult for the county board.

Mrs. Robert Ward said that she had five children, and wanted them to have the best possible education. She favored sending them to Hondo when they reached high school age. Mrs. Robert Faseler, who teaches homemaking in Hondo, said that she had not seen any "country kids" from New Fountain, Quihi or the Fly school districts. She said that when those girls joined the Hondo high school classes in homemaking, she had to ask them where they were from if she wanted to know.

W. S. Garnett said, about 10:30, that he was sure everybody had already made up his mind before coming to the meeting, and suggested that the group vote and go home.

"Best Possible Education"

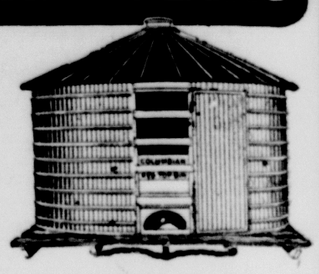

Buford Wilson, speaking as president of the Yancey board of trustees, said that "if we could keep school in Yancey, I am for it." He said that they were all interested in the best possible education for their children, and proved that by their attendance at the meeting. He said that he could not see any better way to provide the education than to transfer the high school students to Hondo, and said "I think we are fortunate that Hondo has asked us. Let's give it a trial this year."

Elroy Mofield said that he felt the matter should be put to a formal election, and Wilson added that if and when the high school population increased, they would re-open. The voting was conducted by secret ballot, and turned out 55-34 in favor of operating the high school in Yancey for 1951-52.

In announcing the decision, Wilson said, "We will attempt to operate the high school next year." The board has employed some of the teachers for next year, but two men have been lost by resignation."

MRS. JERRY JUNE BERGER, SOCIETY EDITOR

Schuchart-Wurzbach Nuptials Read June 9

CLIFF— Miss Fay Merle Schuart, daughter of Mr. and Mrs. rmond Schuchart, became the ie of Clarence Patrick Wurzh, son of Mr. and Mrs. E. A. rzbach, in double ring rites emnized at 9 o'clock, June 9, in the St. Louis Catholic church in Castroville. Rev. Dean Lenzen officiated.

White gladioli and marconi daisies were used in decorating the church. The music was furnished by the St. Louis church choir.

The bride was given in marriage by her father. Her dress was fashioned of bridal satin, with overskirts of net and hand-appliqued, imported French lace. The lace was also used over white satin waist. She also wore pearl ear screws, a gift from the groom, and her mother's brooch. Her bouquet was of white roses and stephanotis.

Mrs. Edwin Zinsmeyer, sister of the groom, attended the bride as matron of honor and Miss Helen Marie Schuchart, cousin of the bride, was the maid of honor. Bridesmaids were Frances Marie Boheme, Rosemary Green and Velma Wurzbach. Their dresses were fashioned of pink net over tafetta and they carried blue carnations.

Conrad Wurzbach attended his brother as best man and the groomsmen were Vernon Schuchart, brother of the bride, Gerald Haby and Roy Thompson. Ring bearer was Patrick Zinsmeyer and ushers were Emmett Wurzbach and Millard Schuchart.

The bride's mother chose a pink salyna dress with navy accessorie and the groom's mother wore printed silk with black accessories.

After a short wedding trip the couple will be at home in Rio Medina.

The bride is a graduate of Jefferson High School and Lady of the Lake college and was a member of Alpha Chi honorary society. She is also a graduate of the University of Texas Medical School and a member of Alpha Epsilon Iota. She will serve her internship at Robert B. Greene hospital in San Antonio.

The groom is a graduate of Thomas Jefferson high school and is engaged in farming and ranching. He spent three years in military service.

Mrs. Archie Schuchart served the wedding breakfast.

A barbecue dinner was served in the home of the bride's parents. Vari-colored gladioli and marconi daisies were used as decorations.

The centerpiece on the table was the bride's bouquet, with low bowls of white gladioli and marconi daisies on either side. Misses Florine and Myrtle Nickel served the three-tiered oblong wedding cake, which was decorated with white lilies and pink petunias. Misses Doris Tezel and Inell Beck served punch.

Mrs. Pat Green presided at the bride's book, in which about 275 guests registered.

Daughters Honored With Tea Tuesday In Merriman Home

The newly redecorated home of Mrs. H. E. Merriman was the setting for a tea Tuesday afternoon given by Mrs. Merriman and Mrs. O. A. Fly honoring their daughters, Mrs. O. G. Wellborn Jr. and Mrs. Joe Mims, respectively.

Mrs. Merriman received the guests in a white lace dress over green and wore a corsage of salmon colored gladioli, while Mrs. Fly chose to wear a dress of pink lace and crepe with a white gladiolus. The honorees wore floor length dresses. Mrs. Mims' was green and she used a shoulder corsage of salmon colored gladioli. Mrs. Wellborn, in white, wore pink roses at her waist.

Other members of the house party were Mrs. O. A. Fly Jr., Mrs. Richard Fly, Mrs. Barnitz Carle, Mrs. Richard Reily, and Mrs. Jack McIlvoy.

Large arrangements of white gladioli and zinnias graced a table in the living room and the mantle. Pink roses were used on the coffee table.

In the dining room, where guests were served assorted cookies and frosted lime punch, salmon colored gladioli and zinnias formed the centerpiece of the dining table, which was covered with white linen.

Mrs. Mims and Mrs. Wellborn and their families are spending several days here in the homes of their parents.

Saathoffs Observe Silver Wedding Anniversary

Mr. and Mrs. Walter J. Saathoff celebrated their silver wedding anniversary on June 9 at the St. Paul's Lutheran church in Hondo. Rev. M. J. Lorfing conducted the service which began at 11 o'clock.

Mrs. Leroy Miller played the organ while Mr. and Mrs. Saathoff marched in, preceded by Mrs. George Brucks, who was the flower girl and ring bearer at their wedding. Mrs. Saathoff wore a gray silk print dress with white accessories and had a white carnation boutonniere. Mrs. Bruck's corsage was of white daisies.

White daisies and lace fern were used in decorating the church.

Following the service, a barbecue dinner with all the trimmings was served in the annex of the church. The centerpiece of the serving table was a white cake decorated with pink roses and "25th Anniversary" in silver. White candles in crystal holders and daisies in crystal bowls completed the decoration of the serving table.

Some of the closest relatives assisted in serving the dinner. Mrs. George Brucks served the cake.

The white satin guest book, in which 100 guests registered, was presided over by Mrs. George Brucks, and was made with a silver "25," white streamers and blue fore-get-me-nots. The book was a gift from Mrs. Elmer Nietenhoefer.

Mr. and Mrs. Saathoff received many gifts.

PEACE OF MIND

TIME

The things that insurance money buys have increased in cost more rapidly than the premiums paid for insurance. These items consist, in part, of service (attorneys, investigators and adjusters) and indemnity (jury awards, court fees, and repair bills). Automobile insurance premiums simply effect the aggregate expenditures.

Per dollar of premium, insurance companies are returning more servlce and indemnity to the automobile insurance buyers today than in 1941.

All Stars To Play Lackland AFB

Meet Friday Night; Faseler And Nelson Chosen As Pitchers

A team from the Lackland Air Force Base officer candidate school has agreed to play against the Hondo Softball League All Stars at the Hondo diamond Friday night at 8 o'clock.

Lackland will be managed by Capt. Jim Golden, former Hondoan who was active in the Hondo League prior to recall by the Air Force. Capt. Golden has not announced the Lackland lineup.

The Hondo All Stars were selected by the managers of the five teams of the League. Two catchers, Myles Weynand of Chapman and Willard Wilson of Yancey, were selected to catch Johnny Faseler of Yancey and Allan Nelson of Sinclair, both of whom were unanimous selection.

Only other unanimous choice of the managers was Jimmy Rogers, Chapman's left fielder.

Choice for first base resulted in a tie as Jack Hartung and Albert Wilson received two votes each. Also undecided was shortstop at which E. J. Williams and Roy Kile compiled two votes each, and right field which saw five players gain a single vote. These positions will be filled by a runoff vote by the managers prior to the game Friday night.

George Wilson polled four votes for second base; L. D. "Blackie" Williams received three for third base; and Tom Finger was selected for center field with four votes.

In the race for right field are Junior Nietenhoefer, Vernor Muennink, Lawrence Carle, Johnny Nester, and Charles Hartman, each of whom polled one vote.

Other players receiving all star votes were Sam Meyer and George Schmidt for catcher, one each; Ray Nixon, one for first base; Joy Tilley, one for second base; Walter Nester and Joe Zinsmeyer, one each for third base; Dick McWilliams, one for shortstop; and Milton Poehler, one for center field.

The Hondo All Stars will be guided during the game by the managers of the teams in first and second place on Friday night.

Sinclair Homers Defeat Jaycees; Blue Birds Lose

Sinclair steamed past the Jaycees and the Hondo Blue Birds lost a 10-8 decision to the Natalia Girls in softball games last Friday night.

The Bluebirds, who had previously dropped a pair of one-run contests to Natalia, made a desperate bid in the final inning with a five-run rally, but failed two runs short. Hondo outhit the visitors 14-8.

Big guns in the futile rally were Muennink, Lutz, Mona Eckhart and Huesser who each hit singles. Natalia's previous air-tight defense fell in the uprising as the infield committed three errors.

Sinclair took the Jaycee's measure in three innings as Elmer Joe Leinweber ran his hitting streak to six for six in his last two outings. Two of his hits were for the circuit, batting in six runs, the last enabling the Oilers to exceed the ten-run limit ending the game. George Schmidt and Charles Hartman also belted homers.

Chapman remained in second place Wednesday night as they rallied to beat the up-and-coming D'Hanis team 14-5. Filling in for the girl's game which was postponed, Sinclair defeated the Jaycees 11-6 in a practice contest.

The hitters had their way in the nightcap as Otis Nester and Myles Weynand each hit three for four and Jimmy Rogers collected four for five. D'Hanis touched Bill Hemby for ten hits including Tom Finger's triple and Sammy Zerr's home run. Chapman grabbed 14 hits off Maurice Nester who started and E. Koch, the loser. Weynand and Rogers contributed doubles.

After a 1-1 tie in the first inning, D'Hanis pulled ahead 5-3 in the third, but Chapman's hitting began to tell as they pushed across a pair of runs in both the fourth and fifth innings to gain the lead. A seven-run sixth inning put them out of danger.

ELECTRICAL TIPS FOR THE HOME
If Your Stairways Are Poorly Lighted and Hazardous . . .

DON'T think you have to put up with old-fashioned fixtures and insufficient wiring. Improper lighting on stairways and lack of well-placed switches can cause serious accidents.

DO install modern fixtures placed so that all the steps will be lighted. Be sure to provide switches at both head and foot of stairs to turn on each light before ascending or descending.

J. A. Agrees To Join Move Against Unnecessary Projects

Editor's note: The Seco Philosopher on his Johnson grass farm has joined the defense effort, in his own peculiar fashion, his letter this week reveals.

Dear editar:

I was readin in a paper this afternoon which I'd been carrying around in my pocket several days, never have believed in getting in a hurry, if you haven't heard it before, news is fresh whether you run into it thirty minutes or thirty days after it happens, although this ain't always true of gossip, where Defense Mobilization Director Charles E. Wilson has called on the nation to put off all "postponeable" projects for the duration of the defense emergency, so materials and energies can be channelled into the defense effort.

Now he didn't give a detailed list of the projects which ought to be postponed, but I have a good many out here which I have been postponin for several years and I would like for the Defense Director to know I will fall in line with his program and continue postponin them and as a patriotic gesture run in a lot of new ones. This country ain't gonna be unprepared on my account.

J. A.

I read somewhere one time where Mark Twain said he always put off answerin his mail for six months and it would surprise you how few letters then needed answering, and I have found the same thing to be true out here on my farm. For example I postponed choppin my cotton last year and it's certainly true it don't need choppin now. I never did get around to breakin my garden early this spring, and it certainly wouldn't do any good to do it now. On cold wet winter nights last year I occasionally stayed inside the house and postponed milkin my cows, and a man who thinks he can go back and make up for them postponements now just ain't familiar with milk cows.

However, in spite of the postponements, the cow seems to be doin all right, gives a full two quarts at every milkin, don't seem to be holdin a grudge against me, and I figure my garden will produce as much this year as any other.

Yours faithfully,
J. A.

THE TRUE ANIMUS AT LAST OUTS

If you read the press dispatches of June 7, what we are about to quote will be old stuff to you.

But even so, you should read it again that you may fully grasp its serious import.

If you have not read it, you should not miss it now.

It is a reasonable presumption that the purpose of the MacArthur inquiry is to develop the facts of MacArthur's offence—an "offence" which provoked his summary dismissal.

Read the following United Press report and you will find the reason for the whole rotten mess exposed in the words of one of the men chiefly responsible for it.

Reporting the hearing of testimony by the Committee the Press says:

"Sec. of State Dean Acheson said Thursday he believes the United States has authority to pursue Communist planes into Manchuria without United Nations permission but that its Allies sharply disagree.

"He disclosed that the United States dropped the so-called 'hot pursuit' proposal early this year after other countries protested it would spread the Korean war. He said they also argued that the United States lacked authority to put the plan into effect on its own."

Here we have the admission that while the other members of the United Nations are letting the United States both fight and finance the Korean war virtually alone they dictate how the war shall be fought.

And the United States meekly submits to the dictation!

"He (Acheson) made the statement during his sixth day before the Senate MacArthur investigating committee after Sen. Harry P. Cain, (R. Wash.), said that the 'hot pursuit' issue might have to be revived. Cain observed that the fighting in Korea is moving northwards.

"Cain recalled that Acheson testified previously he opposed taking the 'hot pursuit' plan to the United Nations because Russia then would know what the United States planned to do in Korea. The senator asked if the United States could act on its own since it was the 'unified command' in Korea.

"I have taken the view that it was within the authority of the unified command to do that," Acheson replied.

"Acheson testified that he joined Defense Sec. George C. Marshall and the joint chiefs of staff in favoring the plan. But it was dropped after the other countries opposed it.

"Letters from Acheson to Marshall on the subject were read into the record but deleted from the public transcript at Acheson's request. He said they represented the views of other countries."

Here we have the admission of a men in a responsible position whose duty was to act solely for the good and in the interest of the United States, admitting under his oath, that he consented and acted in "dropping" a policy he "favored", that one of his conferees favoried, and that in his view, is "within the authority" of our forces to do, because "other countries protested."

Since when did our country have to ask "other countries" in what manner it might fight its own wars? or hesitate to make and follow its own policies?

Only since it became involved in the entanglements of the United Nations.

How much longer are we going to tolerate such entanglements?

Truman had said his dismissal of MacArthur had been on the advice of the Defense Department.

According to the Press, there were others, and we quote:

"Under questioning by Sen. Alexander Wiley, (R-Wis), conferred with 'some other people' outside the State and Defense departments before recalling MacArthur, but he did not feel free to name them."

The American people have a right to know who those "other people" are, why they were consulted, what was their counsel and why it was what it was.

Is the will of the American people to be Sovereign in their affairs or must they be ruled—even to the sending of thousands of American boys to bloody graves in a purposeless war seven thousand miles away—by the whims of unknown people who must remain nameless?

Are the American people ready to sacrifice their sovereign rights and accept dictation from the United Nations, not only as to when we shall fight a war—undeclared in a legal way—but also the right to choose the manner in which we shall fight?

That is the issue we face—the true animus behind the mess our country is in.

PLENTY DEGREES COOLER INSIDE

THESE folks are enjoying something that's being pioneered by Buick.

It's freedom from the blinding glare of bright summer sunlight.

It's freedom from hot laps—caused by the sun's rays beating down through the broad expanse of windshield.

These freedoms trace to a new feature you may have noticed in '51 Buicks—a new kind of glass† with a cool, soft, blue-green tint, in every glass area of the car, front, side and back.

Buick engineers tell us that this "Buick first" reduces glare 18% over conventional glass—cuts sun heat as much as 45%—and Buick engineers are very conservative fellows.

This glare-and-heat-reducing Easy-eye glass is factory-installed at moderate extra charge. It gives you a built-in transparent "sun visor" right in the windshield—and it also dulls the dazzle of oncoming headlights at night.

As we've said, this is something Buick owners were the first to enjoy. It takes its place with such exclusives as the valve-in-head Fireball Engine—coil springs on all four wheels—the firm power linkage of torque-tube drive—and the magic of Dynaflow.*

As we've also said—rather modestly—"Smart buy's Buick."

Come in soon and find out what an understatement that really is.

Equipment, accessories, trim and models are subject to change without notice.

Let The People Know

With taxes already high and headed toward that point where they become confiscatory, it is about time the Amercan people, who must pay these taxes, got down to some common sense about bookkeeping.

With government spending, on local, state and national levels, becoming so vast, this function of government is getting further removed from the tax payer who must pay the bill.

Regardless of how, why or when the money is spent, the bill must be paid: therefore, if the people who must provide the money are to have any checks on its disbursement, the best way to bridge this gap is by publication of public expenditures.

This can be done through publication in the daily and-or weekly newspapers and also it can be done by the publication and distribution of pamphlets mailed to the entire citizenship.

Representative James B. Pattison, from Ft. Bend and Waller counties near Houston, directed our attention to this fundamental principal of democratic government through his sponsorship of House Bill No. 408,

Every government official or board that handles public money should publish at regular intervals an accounting to show where and how each dollar is spent.

Most accounting records now kept by subdivisions of government might as well be done away with for all the good that they do, because they are seldom read even by those who are legally in possession of them.

It is not a matter of questioning the honesty or integrity of the people in office. It is simply a matter of keeping the people informed, which in turn should constrain those in office, at all times, to put their best foot forward, to spend not only honestly but wisely.

When speaking of the Constitution, in 1798 Jefferson said: "It would be a dangerous delusion if our confidence in the men of our choice should silence our fears for the safety of our rights. Confidence is everywhere the parent of despotism. Free government is founded in jealousy, not in confidence."

Jefferson also said: "The basis of our government being the opinion of the people, the very first object should be to keep that right. Were it left to me to decide whether we should have a government without newspapers or newspapers without government, I should not hesitate a moment to prefer the latter."

Placing the vital of public expenditures where they can be read and understood by the people is the best way of helping the people, themselves, to determine the right opinions and thereby to encourage them as individuals to greater participation in their government. Washington Merry-Go-Round

Iron Curtain Trade

FOR SOME time this column has called attention to the shipment of war materials behind the Iron Curtain by European nations.

Most people don't realize that a steady trickle of strategic materials have been reaching Communist countries from the U.S.A. Here are some American firms which have been transshipping:

1. Rolfe G. Grote of New York, who sent chemicals to Switzerland, later transshipped them to Soviet Russia.

2. The Pacific Trading Corporation of Boston which transshipped steel plates to Communist China.

3. The Harris Chemical Corporation of New York which obtained a license to ship chemicals to Belgium, then transshipped them to Communist Czechoslovakia.

Last December 27 this column also revealed that the Aluminum Corporation of Canada, an affiliate of the Mellon-controlled Aluminum Corporation of America, had shipped 3,000,000 pounds of aluminum to Communist Czechoslovakia, and 1,000,000 pounds of aluminum to Communist Poland, at a time when the American public was getting dangerously short.

Tax Tempers

There were some stormy dissents inside the house ways and means committee before it tentatively approved a 3 per cent, across-the-board boost in individual income taxes.

"This is an unfair imposition on the lower-bracket taxpayers," insisted Democrat Wilbur Mills of Arkansas. "Most of the new revenue in this legislation will come from the lower brackets anyhow, so why saddle the poor man with the same rate of increase as the upper-bracket taxpayer?"

Rep. Hale Boggs of Louisiana, who favored a graduated increase from 2 to 4 per cent on incomes up to $10,000 a year, also strongly opposed the across-the-board formula. So did another Democrat, John Dingell of Michigan.

Dingell was furious because the committee had raised corporation taxes only to 52 per cent instead of the 55 per cent, as recommended by the treasury.

"The coffers of some of these big companies are bulging with unexpended cash," exclaimed Dingell. "That's where the fat is. It isn't in the little man's pocket. I'm against all these excise taxes too, which are paid by the consumers—and that applies to excises on automobiles made in my own home town.

"America lives on wheels," said the congressman from Detroit. "But if you cripple the automobile industry by increasing excises to the point where the average fellow can't afford to buy a new car you are threatening the future of our whole economy."

Rep. Dan Reed of New York, the committee's No. 1 Republican, said he was willing to "go along" by not raising individual income taxes at all. While Democrats pinched themselves to be sure they weren't dreaming, Reed hastened to explain:

"If we cut non-essential government spending to the bone, maybe we wouldn't need a tax bill."

In the showdown, however, Reed and other committee Republicans voted solidly for the income-tax boost which hits little incomes as much as it does big.

Korean Air Disaster

The American public has shown its ability to take the bad news along with the good and therefore has a right to know about our worst air disaster of the Korean war. So far the facts have not been released at the Pentagon.

Last month, however, 40 B-29 superfortresses, escorted by jet fighters, bombed the international bridge connecting Sinuiju, North Korea, with Antung, Manchuria. The B-29's were hugging so close to the Manchurian border that one side was exposed and approximately 100 Russian MIG-15 jet fighters hit them from the exposed Manchurian side, breaking up the formation.

Two B-29's were shot down, a third was listed as missing but was seen crashing into the sea. Seven of the big superfortresses had to crash-land in South Korea, while one was badly damaged but made it back to the home base.

Washington Pipeline

American scientists are unable to understand why the Russians have exploded only one A-bomb. Our most elaborate devices have detected no indication that the Kremlin has set off a second atomic explosion. Some of our experts feel that the Reds have found a method of detonating their bombs which eludes our instruments. Others claim the Russians are so far behind the U.S. that they would merely show their lack of progress by exploding another.

8 Gilts, Boar Given 4-H Boys

Eight registered Hampshire gilts and a registered boar pig were distributed to 4-H Club boys on last Thursday under a program sponsored by a foundation supervised in Medina County by County Agent C. B. Gaston.

Each year the boys who recieved gilts the previous year furnish a gilt for redistribution which keeps the program operating. The boys who received the 1951 gilts were Jerome Hitzfelder, LaCoste; Franklin Bohl, LaCoste; Clennus Stein, Rio Medina; Anthony Zinsmeyer, LaCoste; Sherill Reus, LaCoste; Francis Lutz, Mico; B. T. Keller Jr., LaCoste; and Norman Tondre, LaCoste.

The boar was awarded to Mal-

Hope "Cappy" Told Him Where To Get Off!

"Cappy" Fisher — who just retired after thirty-five years as a railroad conductor — was telling about a salesman who was often one of his passengers.

"That man **was** so busy," says Cappy, "he used to bring a dictaphone on the train to catch up on his letters. On one trip he'd been rushing around so much he clean forgot to bring his ticket. Left it on his desk."

When Cappy started to tell him not to worry about the ticket, the salesman busts out with "Who's worried about the ticket? It's just that now I don't know what city I was going to get off at!"

Cappy might have been pulling our leg, but from where I sit, lots of us get so wrapped up in ourselves we **often** forget "where we're going." Some folks get so narrow they even begrudge their neighbors the right to enjoy a glass of beer now and then. Let's not forget that just as trains run on steam and oil, democracies run on freedom and tolerance!

POWER-PACKED -and then some!

THERE are a lot of reasons you can expect a new GMC to keep hauling a lot longer than any other truck you can buy.

First is the fact of horsepower. Whether it's a gasoline-powered ½- to 2-tonner with horsepower unbeaten in its class, or one of the new heavy-duty Diesels—*you can't beat a GMC for "go"!*

But the extra value you find in these great trucks doesn't end at the power plant. There's the smooth GMC Synchro-Mesh Transmission linked to a sharp-shooting drive line, pouring every ounce of power back to the rugged rear axle. *And the solid way horsepower becomes wheel-action*—you know there's extra depth of truck performance engineered right down through a GMC's broad-shouldered frame!

And standing guard over these long-time trucks are husky brakes with more area than most—the surest, easiest steering ever devised to direct a pay load home—all controlled from a spacious "Six-Footer" Cab that's Weathersealed for a lifetime.

GMC's come in the widest range of engine-body-chassis combinations to fit any trucking need. The prices? *No better buy anywhere!* Come see for yourself.

Billy Hollaway, son of the A. G. Hollaways, had his tonsils and adenoids removed.

The August Koenig home at Castroville was nearing completion.

THIRTY YEARS AGO

The first watermelons of the season were brought into Hondo from Yancey. Raised on the Hardt place, they were of good quality and brought 2½c per pound.

Fine grade ladies black hose, 10c per pair; men's work shirts 55c; men's silk ties, 75c.

FORTY YEARS AGO

The Hondo Post Office handled 50,182 pieces of mail during May.

Fritz Faseler brought in the first watermelons of the season.

PERSONAL APPEARANCE

We learn something new every day, and the other day we found out that all the pioneering in the development of new kinds of hybrid corn is not taking place up in the midwestern corn belt. OSCAR BIPPERT was in The Anvil Herald office, and in the course of the conversation we found that he has been working on new varieties of corn for many years, and believes that a variety of Surecropper is coming along that will combine the drought resisting qualities of the parent plant with the increased production found in many hybrids.

Adding greatly to the appearance of Hondo's highway is the new look on the HENRY MERRIMAN house. They have cut off a front porch and changed the appearance completely. That petunia bed helps, too.

Speaking of good looking front yards, you ought to see what a lot of work is being done again this year (as we have pointed out in the past) by Mrs. ROSA STIEGLER and Mrs. AUGUST MUMME. Located on the street that runs past the north side of the courthouse, they must have a combination of green thumbs, a lot of help, and a little good luck.

One of our readers made a big move the other day, a man most of you know as GUS BENKE. He sold his place out by Sabinal and bought himself 1,000 acre spread known as the Roegelein Ranch up by Mico.

H. D. Club News

The Medina County H. D. Council met June 4 in regular session. It was announced that Mary Louise Bendele won the $100 4-H Scholarship this year.

The most important discussions were the state meeting at A. & M. College in August and the County Rally Day at Seguin in July.

BIRY.—The Biry Home Demonstration Club met on Tuesday, June 5, at the home of Mrs. Alfred Neuman. The meeting opened with the Club Song, "Eyes of Texas."

Each member answered roll call and described their wedding gown. Plans were made to entertain the Biry 4-H group on June 11.

The Club entertained the Murphy H. D. Club and guests present were Mrs. Oscar Etter, Mrs. Walter Graff, Mrs. Emil Riff, Mrs. John Coyle, Miss Maritima Hardeman, Miss Jane Combs, and district vice-president, Mrs. Harrison Wilson.

Refreshments of ribbon sandwiches, individual cake, potato chips, mixed nuts, and punch were served.

The next meeting will be held at the home of Mrs. John Neuman June 26.

Esso Extra
GASOLINE

Every day many Humble dealers thank a number of their customers for recommending Esso Extra gasoline to their friends. These bona fide recommendations have spread the good name of Esso Extra from one end of Texas to the other: this fine gasoline is noted for *extra* quick starting, *extra* anti-knock performance, *extra* power, and for the exclusive, patented solvent oil that keeps engines *extra* clean. Users say, there's *extra* value in every gallon of Esso Extra.

See for yourself. Stop at the Humble sign in your neighborhood and fill up with Esso Extra, the gasoline that gives you something extra for your money . . . *Humble service is something extra, too.*

4-H Dress Revue To Be Held On June 26

The annual State 4-H Dress Revue will be held at College Station, June 26.

Some 145 garments have been entered for judging in the final revue.

The revue is the achievement event for all 4-H Club girls in Texas who have worked on the clothing demonstration this year. The specialists say that 9,596 girls entered garments they made in the county revues.

Home demonstration agents and adult leaders in more that 145 counties have trained girls in color and patterns selection, choosing fabrics, finishes and accessories and proper grooming. The girls have learned through these lessons, through demonstrations, from seeing colored slides, and by actual sewing in the home.

Green Bean Harvest Now In Full Swing

DEVINE—Green bean harvest just closing finds green peas and sweet corn harvest in full swing. Melon season is just around the corner—some few have been brought to town.

Next week is due to find the season open with plenty of good melons. The broom corn harvest is at hand, too. Clem Redus, local buyer, in speaking of broom corn, said, "Nice acreage, good crop, and good price expected."

lloyd's letter

LLOYD M. BENTSEN, JR.

Your Congressman has been searching for some means to provide small business firms with first hand knowledge of defense needs and sub-contracting opportunities. Now it looks like the Armed Services have come up with an answer that will be helpful On June 25-30 all industrial exhibit will be held in the Will Rogers Coliseum at Fort Worth. At this exhibit manufacturers of military material will show components and parts which they desire to "farm out" to sub contractors.

The exhibit will permit engineering, production, and contracting representatives of the prime contractors to talk with small manufacturers about their products, machine tools, and explain blueprints and specifications.

So, if you are interested in a defense contract and would like to see what the government is buying and something you might be able to turn out in South Texas, put this exhibit on your itineraray. For further information about the exhibit, write the Project Officers, Armed Forces Small Business Exhibit, P. O. Box 9038, Fort Worth.

At the end of World War II, the Congress voted certain measures in an attempt to compensate the men and women who sacrificed so much so our nation could maintain itself. Two of the major laws passed were the so-called GI Bill of Rights and the Vocational Re habilitation Act.

As of today well over two million veterans are making use of farm, home and business loans with the initial principal amount of their loans totalling over 10 billions dollars. The educational program, which has been used by over 7 millions veterans, closes on June 25th, this year, for veterans who have not already started training. It closes on July 25th, 1956 for those who are qualified to continue.

At the outbreak of the Korean War, 25,000 cars and other conveyances, valued at $40 million, had been delivered to veterans whose disabilities involved the loss of one or both legs. Almost $100,000 was spent for this purpose in Texas during 1950.

Recently enacted legislation extends much of the World War II veterans' benefits to Korean veterans. Measures have been introduced to equalize for Korean veterans the other benefits that were given World War II veterans. Unquestionably there were some abuses of such legislation and Congress should eliminate them in this new legislation.

THE BRUSH-OFF

No matter how you look at it, the answer is no.

You might remember my telling you your Congressman had asked the Secretary of the Air Force for two weeks active duty in Korea. The Secretary of the Air Force, answering my request, said the Defense Department intends to make a study of the policies governing Congressional trips to the Far Eastern Theatre in the near future. He stated, for this reason, he does not believe it desirable to proceed with any definite plans at this time.

It goes without saying that Mrs. B was pleased with the turndown.

can't fill the egg basket . . .

In the Gas Business, too

IT TAKES MANY SOURCES OF SUPPLY

It takes millions of hens to produce the eggs for the nation's daily needs. And that recalls a well-known piece of advice: "Don't put all your eggs in one basket."

You may not realize how literally United Gas has put that old adage into actual operation. Wells in more than 200 widely separated fields provide the natural gas for the system serving our customers . . . and new and additional sources are being connected to our pipe lines all the time.

This diversity of "sources of supply" is important to you, for it is assurance of dependable gas service for homes and industries in the more than 400 cities and towns we serve in the Gulf South.

Youth Club To Have Annual Outing July 8

LACOSTE— On Wednesday evening, June 6, St. Mary's Youth Club met in Our Lady of Grace School for the regular monthly meeting.

The treasurer gave a report, stating that the club has a balance on hand of $37.84. B. T. Keller was admitted as a new member to the club.

The annual all day outing was discussed and the members decided to go to Garner State Park on July 8 immediately after the first Mass. This annual picnic will be discussed further at the July meeting when Fathre Merbst, spiritual adviser, is present. Father Herbst was unable to be present at this meeting because he was in retreat at St. John's Seminary in San Antonio.

The president appointed Adelyn and Madelyn Rihn and Marlene Biediger to lead the Rosary for Peace after the first Mass during the month of June; Gerald Winkler and James Christilles will lead the rosary after the second Mass.

Irene Biediger gave a report on the Sacrament of Holy Eucharist. Michael Mangold was appointed to report on Penance at the next meeting.

The meeting was closed with prayer.

aCoste Resident rrested Tuesday

Charged With Theft Of 45 Cows, Calves

A 30-year-old LaCoste resident is being held in the Medina County jail following his arrest Tuesday by Deputies Charles Hitzfelder and John Kempf on charges of cattle theft.

The man, Edmund H. Windau, was said to have moved 45 cows and calves from a place belonging to R. L. Midgett, A. F. Lempkins and Nora Williamson to his own 10-acre tract a short distance away. The cattle were driven down a county road that divides two tracts belonging to the three owners.

Windau, who has lived at the place about four miles south of LaCoste, says he is originally from Cleveland, Ohio.

Your Congressman has been searching for some means to provide small business firms with first hand knowledge of defense needs and sub-contracting opportunities. Now it looks like the Armed Services have come up with an answer that will be helpful On June 25-30 all industrial exhibit will be held in the Will Rogers Coliseum at Fort Worth. At this exhibit manufacturers of military material will show components and parts which they desire to "farm out" to sub contractors.

The exhibit will permit engineering, production, and contracting representatives of the prime contractors to talk with small manufacturers about their products, machine tools, and explain blueprints and specifications.

So, if you are interested in a defense contract and would like to see what the government is buying and something you might be able to turn out in South Texas, put this exhibit on your itineraray. For further information about the exhibit, write the Project Officers, Armed Forces Small Business Exhibit, P. O. Box 9038, Fort Worth.

At the end of World War II, the Congress voted certain measures in an attempt to compensate the men and women who sacrificed so much so our nation could maintain itself. Two of the major laws passed were the so-called GI Bill of Rights and the Vocational Rehabilitation Act.

As of today well over two million veterans are making use of farm, home and business loans with the initial principal amount of their loans totalling over 10 billions dollars. The educational program, which has been used by over 7 millions veterans, closes on June 25th, this year, for veterans who have not already started training. It closes on July 25th, 1956 for those who are qualified to continue.

At the outbreak of the Korean War, 25,000 cars and other conveyances, valued at $40 million, had been delivered to veterans whose disabilities involved the loss of one or both legs. Almost $100,000 was spent for this purpose in Texas during 1950.

Recently enacted legislation extends much of the World War II veterans' benefits to Korean veterans. Measures have been introduced to equalize for Korean veterans the other benefits that were given World War II veterans. Unquestionably there were some abuses of such legislation and Congress should eliminate the this new legislation.

THE BRUSH-OFF

No matter how you look the answer is no.

You might remember my ing you your Congressman asked the Secretary of th Force for two weeks active in Korea. The Secretary o Air Force, answering my re said the Defense Departme tends to make a study of t licies governing Congres trips to the Far Eastern T in the near future. He state this reason, he does not b it desirable to proceed wit definite plans at this time.

It goes without saying Mrs. B was pleased with the down.

NATALIA WRECKS, OTHER COLLISIONS INVESTIGATED

The sheriff's office reported several wrecks in Medina County during the past week.

Two collisions were investigated in Natalia the same day, on Wednesday, June 13. Two cars sideswiped at 4:15 P. M .about a half-mile south of Natalia with reckless driving charges being filed against Benjamin C. Luedicke whose car hit one driven by Kenneth K. Lester. Luedicke paid $25 and costs in the justice court at Devine.

Drunk driving charges were filed against Anna Mae Forson who ran into a culvert and wrecked a car near Natalia. She and a companion had rented the automobile from driverless car company, and was fined $100 and costs.

Deputies Charles Hitzfelder and John Kempf investigated both accidents.

Hitzfelder also arrested Donald Cole Roberts who ran into the wall at Otto's Service Station at Castroville and proceeded on Highway 90 toward Hondo. Constable Henry Haller phoned the sheriff's office and Roberts was intercepted by Hitzfelder inside the Hondo city limits. Roberts paid $100 and costs for drunken driving.

About $40 damage was done to Mrs. Hugh Meyer's car when she was struck by another auto driven by Harry Hunnam of San Antonio at the stop light in Hondo this week. Hunnam failed to stop for a red light.

Francis Richter of Hondo was involved in a collision on Broadway in San Antonio Monday when a car ran a red light and smashed into his car.

NATALIA WRECKS, OTHER COLLISIONS INVESTIGATED

The sheriff's office reported several wrecks in Medina County during the past week.

Two collisions were investigated in Natalia the same day, on Wednesday, June 13. Two cars sideswiped at 4:15 P. M .about a half-mile south of Natalia with reckless driving charges being filed against Benjamin C. Luedicke whose car hit one driven by Kenneth K. Lester. Luedicke paid $25 and costs in the justice court at Devine.

Drunk driving charges were filed against Anna Mae Forson who ran into a culvert and wrecked a car near Natalia. She and a companion had rented the automobile from driverless car company, and was fined $100 and costs.

Deputies Charles Hitzfelder and John Kempf investigated both accidents.

Hitzfelder also arrested Donald Cole Roberts who ran into the wall at Otto's Service Station at Castroville and proceeded on Highway 90 toward Hondo. Constable Henry Haller phoned the sheriff's office and Roberts was intercepted by Hitzfelder inside the Hondo city limits. Roberts paid $100 and costs for drunken driving.

About $40 damage was done to Mrs. Hugh Meyer's car when she was struck by another auto driven by Harry Hunnam of San Antonio at the stop light in Hondo this week. Hunnam failed to stop for a red light.

Francis Richter of Hondo was involved in a collision on Broadway in San Antonio Monday when a car ran a red light and smashed into his car.

aCoste Resident Arrested Tuesday

Charged With Theft Of 45 Cows, Calves

A 30-year-old LaCoste resident is being held in the Medina County jail following his arrest Tuesday by Deputies Charles Hitzfelder and John Kempf on charges of cattle theft.

The man, Edmund H. Windau, was said to have moved 45 cows and calves from a place belonging to R. L. Midgett, A. F. Lempkins and Nora Williamson to his own 10-acre tract a short distance away. The cattle were driven down a county road that divides two tracts belonging to the three owners.

Windau, who has lived at the place about four miles south of LaCoste, says he is originally from Cleveland, Ohio.

lloyd's letter

LLOYD M. BENTSEN

Your Congressman has been searching for some means to provide small business firms with first hand knowledge of defense needs and sub-contracting opportunities. Now it looks like the Armed Services have come up with an answer that will be helpful On June 25-30 all industrial exhibit will be held in the Will Rogers Coliseum at Fort Worth. At this exhibit manufacturers of military material will show components and parts which they desire to "farm out" to sub contractors.

The exhibit will permit engineering, production, and contracting representatives of the prime contractors to talk with small manufacturers about their products, machine tools, and explain blueprints and specifications.

So, if you are interested in a defense contract and would like to see what the government is buying and something you might be able to turn out in South Texas, put this exhibit on your itineraray. For further information about the exhibit, write the Project Officers, Armed Forces Small Business Exhibit, P. O. Box 9038, Fort Worth.

At the end of World War II, the Congress voted certain measures in an attempt to compensate the men and women who sacrificed so much so our nation could maintain itself. Two of the major laws passed were the so-called GI Bill of Rights and the Vocational Rehabilitation Act.

As of today well over two million veterans are making use of farm, home and business loans with the initial principal amount of their loans totalling over 10 billions dollars. The educational program, which has been used by over 7 millions veterans, closes on June 25th, this year, for veterans who have not already started training. It closes on July 25th, 1956 for those who are qualified to continue.

At the outbreak of the Korean War, 25,000 cars and other conveyances, valued at $40 million, had been delivered to veterans whose disabilities involved the loss of one or both legs. Almost $100,000 was spent for this purpose in Texas during 1950.

Recently enacted legislation extends much of the World War II veterans' benefits to Korean veterans. Measures have been introduced to equalize for Korean veterans the other benefits that were given World War II veterans. Unquestionably there were some abuses of such legislation and Congress should eliminat this new legislation.
